If you're waiting around for something to be handed to you or win the lottery, chances are nothing is ever going to go down, you know, so you got to make it happen on your own.

~Aaron Bruno

You start treating your body right and your immune system is better.

~Aaron Bruno

The world's pretty trippy. I just like to travel around and see what's out there.

~Aaron Bruno

Look, one of the things that I know for sure is that none of us truly knows. That's it. It'll hit you later.

~Aaron Bruno

I don't know that I can say what exactly love means to me because it would be hard to put that into perspective.

~Aaron Bruno

Never let your fear decide your fate.

~Aaron Bruno

My point is I'm kind of an outlier. For whatever reason, the success still blows my mind - that I'm able to talk to people about the music I've written.

~Aaron Bruno

I've always found it pretty difficult to write a happy song.

~Aaron Bruno

Let's say I'm at a party and I don't like the feeling I'm getting, I'll just leave. Why do I have to be there?

~Aaron Bruno

My drummer is my favorite drummer in the world, and he also happens to be the funniest person you'll meet.

~Aaron Bruno

My point is, I don't see the need to eat animals. I love animals; besides the horrible stuff that's put in meat, I actually love cuddling with animals and petting them and stuff.

~Aaron Bruno

I don't think we'll really know what's going on until we enter the next dimension and all that.

~Aaron Bruno

I find that a lot of times when family members get bronchitis or the flu or something like that, I'll kind of skate through and be really lucky and not get that sick.

~Aaron Bruno

I'm my own worst critic and harshest critic and I just want to put honest music out there.

~Aaron Bruno

You don't put out music unless you have a sense that people will maybe like what you're doing or you're standing for something artistically.

~Aaron Bruno

There's a bunch of songs that I call B-sides on the record that you could argue could maybe have some potential commercial success with another artist, but for me, they just felt really whack.

~Aaron Bruno

You got to head north. It's always about going north, you know?

~Aaron Bruno

Some people are more affected by, I hate to use the word "success," but I don't know what else to say, but some people are more affected by that than others.

~Aaron Bruno

My first attempt at real music was when I was 13. My first signed band was when I was 21; that failed. I got another deal at 26; that failed, and then I was broke.

~Aaron Bruno

I ran away for a couple years just to prove I've never been free.

~Aaron Bruno

I really love music and I want to make it better the best I can.

~Aaron Bruno

When I cruise around, I can't help but study people's faces and emotions and wonder why they're feeling the way they are.

~Aaron Bruno

I just find that with music I've always felt a sort of comfort.

~Aaron Bruno

I've had the same core group of friends that I've always had. We're surfing, so that definitely keeps you grounded.

~Aaron Bruno

I want to surround myself with the people I care about and that has a lot to do with what love is. It's surrounding yourself with the people you do love and trust, and that kind of thing.

~Aaron Bruno

I can tell when something's real, or when something's put together. I can just feel it.

~Aaron Bruno

Trying to put music out there in the world is a pretty exciting, yet terrifying, thing and I've just been through the ringer.

~Aaron Bruno

Since I was a kid, when I pick up my guitar it's been hard for me to write some sort of bubblegum lyrics. It's not really ever been my route.

~Aaron Bruno

I have a lot of questions and I don't have that many answers. So what better place to exercise those thoughts than the lyrics, I guess.

~Aaron Bruno

I've been through a lot of ups and downs. I've been on both sides of it all, I guess. So there's not one specific event or thought that I'm dealing with or drawing from necessarily.

~Aaron Bruno

I've had the same friends I've always had. I mean, I've lost a few over the years.
