My life has been the antithesis of that book 'The Secret'. I've always been interested in doing what I do. I love storytelling and I really enjoyed acting, but it never seemed like a realistic thing.

~Aaron Stanford

It's nice to know when you're a part of a story, it's nice to know at least something about the beginning, middle, and end.

~Aaron Stanford

Wes Craven is obviously a horror film icon so I was definitely very interested in bringing something back to life that Wes had created.

~Aaron Stanford

You know all those dangerous mutants you hear about in the news? I'm the worst one.

~Aaron Stanford

The best compliment was Ben Kingsley coming up to me, putting his hand on the back of my neck, and saying, "Good job, son.".

~Aaron Stanford

Of course, I'm not allowed to talk about the script, but I can say it is a really good story.

~Aaron Stanford

I've been recognized very seldom. I think I just look different in person than I do as the character.

~Aaron Stanford

I try to pick characters that I find interesting and complex and that I feel I can bring something of myself to.

~Aaron Stanford

I didn't follow the whole 'X-Men' story because it got too complicated. I'd

pick up a comic book and have no idea what was going on.

~Aaron Stanford

I consider myself a blue-collar actor, just chugging away.

~Aaron Stanford

But a lot of shows, they pose questions and they give you a puzzle where there's no solution.

~Aaron Stanford

Actors, we like stories, we like storytelling, we love being a part of the story, and if you give us a story that's interesting then we'll want to do it.
