There's no conversation more boring than talking about what it's really like to live in Newport and how the show compares to the real thing. I just don't care.

~Adam Brody

It's very important to me to love what I do. It was important to me to find a career that I truly enjoy. You can find something that sort of excites you, that's half the battle of life.

~Adam Brody

I worry that I can come off smarmy. I wonder if I was listening to myself if I'd want to kick my own ass.

~Adam Brody

Welcome to a life of insecurity and paralyzing self-doubt.

~Adam Brody

My best jokes are so cheap. All I do is say things sarcastically.

~Adam Brody

I've had to fight for roles and I've lost a hundred roles, but 'Smoking' and 'Smith' were phone calls. That's the dream.

~Adam Brody

Well, I guess most people would only know me from The O.C. I did a few episodes of Gilmore Girls before that. I was also a client on a lot of lawyer shows.

~Adam Brody

I want to work with intelligent people and look for scripts that I think are intelligent and surprising.

~Adam Brody

I always enjoyed movies and in hindsight I realise how captivating they

were to me.

~Adam Brody

I feel like Hollywood is a big high school again. Seriously, Ashton Kutcher is the prom king.

~Adam Brody

And in a world without heroes, as the movie trailer voice-over guy might say, the slightly awkward can be slightly cool.

~Adam Brody

Any time you end a relationship, and everyone has ended plenty in their life, it's always a tough thing and hard to get over.

~Adam Brody

Really, as long as I am working and have diversity, I am happy.

~Adam Brody

I always knew I was going to die in space.

~Adam Brody

I like great directors who are scarce. Prolific ones are nice too but for me, there's something about the scarcity that makes it all the more valuable.

~Adam Brody

I started drinking Scotch just to be a man.

~Adam Brody

I like to always have humour in whatever I do.

~Adam Brody

You know, you're a great barbecuetionist.

~Adam Brody

I try to make all of my roles likeable in some way.

~Adam Brody

It helps if you don't date other actors, but actresses are beautiful. How can you say no?

~Adam Brody

I just want to be in good things that I want to see, and I want to work with talented people who are smarter than myself.

~Adam Brody

Comic books aren't nerdy. You'd have to be an idiot to think computers are nerdy.

~Adam Brody

I'm a fake intellectual.

~Adam Brody

Most of the time, my favorite drama has comedy in it as well. I think most good dramas have comedy in there. And all of the dramatic actors I look up to are also very funny.

~Adam Brody

I love movie-making. I'm interested in writing and directing, and I've dabbled, but I haven't done anything I care to brag about. Yet.

~Adam Brody

I don't know anyone who's going to see Grind 22 times in the theater. My mom. Some kid who has short-term memory loss and forgot that he's seen it.

~Adam Brody

Okay, using the dreaded middle name is not the best way to forge a bond.

~Adam Brody

I started a band [Big Japan] for fun. These sticks break easily, but they feel good.

~Adam Brody

I wish I came from a more pure place. I don't have something to say from the bottom of my soul. I just know how to take stuff I like and repackage it in a slightly different way.

~Adam Brody

I have been in teen shows for years, so doing that stuff - kissing - is kind of commonplace and not a big deal. It was way more cool just because it was Meg Ryan.

~Adam Brody

I am super-proud to have a sort of famous character in my background that if you're a certain age, he was probably a part of your youth. I think that's pretty cool.

~Adam Brody

Transitioning to being an unemployed film actor is different, but it's fun and I've been looking forward to it for a while.

~Adam Brody

It's bad writing, however naturalistic it's written, that's where you have to do your best acting.

~Adam Brody

If I don't direct a movie at some point, I've failed personally.

~Adam Brody

I like an interesting movie even if it's controversial or offensive, depending on your taste.

~Adam Brody

I have a pretty lousy voice.
