Work is hard. Distractions are plentiful. And time is short.

~Adam Hochschild

Growing inequality is a huge problem, and of course is intimately connected to xenophobia and racism.

~Adam Hochschild

The first World War in so many ways shaped the 20th century and really remade our world for the worse.

~Adam Hochschild

A pioneer in this genre [ writing about the refugee crisis] : the book *A Seventh Man*, by the great John Berger, decades ago evoked the lives of migrant workers in Europe.

~Adam Hochschild

Even [Ernst] Hemingway, perhaps the most intentionally non-political of American writers, became passionately partisan during the Spanish Civil War.

~Adam Hochschild

No international court can ever substitute for a working national justice system. Or for a society at piece.

~Adam Hochschild

Newt Gingrich seldom misses a chance to note that he is a historian.

~Adam Hochschild

I think writers can respond by writing about the refugee crisis, by looking at problems faced by migrants, by trying hard to portray them as the human beings that they are.

~Adam Hochschild

It sure is a rising tide, and we have a particularly nasty exemplar of it in

the U.S., in Donald Trump.

~Adam Hochschild

I'm after a snake and please God I'll scotch it.

~Adam Hochschild

Ronald Reagan perfected the subtler version long ago by talking about "welfare mothers" - a code phrase for people of colour.

~Adam Hochschild

I think one thing writers can do is point out that you don't have to say openly racist things, like [Donald] Trump, to be a racist or a xenophobe.

~Adam Hochschild

I can certainly sympathize with writers who don't want to put themselves or their loved ones at risk.
