You ever spent eight hours acting in water? It's a lot easier to get in and out of a bath. Hot tubs are bad news for actors, man.

~Adam Pally

I love Billy Joel. I cry sometimes when I hear 'The Stranger.' 'You May Be Right' may be one of the greatest songs ever written.

~Adam Pally

At around 19 I realized that I really didn't have any skills other than making people laugh, so I should probably pursue it full-time.

~Adam Pally

There's a common misconception with sketch comedy that you just go up there and wing it, but it's written, and there really is order.

~Adam Pally

For me, why would a Jew want to go anywhere in history ever? I'm only going to have to run.

~Adam Pally

I am what they call a chubby-skinny guy. I appear to be normal and have the look of an in-shape man, but if we were to go to a pool party I would go with my shirt on.

~Adam Pally

I think journalism can come from anywhere, and comedy can certainly come from anywhere.

~Adam Pally

Well, you can't improvise story, which is a fact. If you could, the budget would be insane.

~Adam Pally

I think the least stereotypical gay character on television is probably

Matt LeBlanc on Episodes. He just plays it so straight-faced. They never talk about the fact that he's such a huge gay person.

~Adam Pally

The only place I want to travel to is the United States Of America from 2008 to 2016. Anywhere else is a horribly dangerous time for women and minorities.

~Adam Pally

I love Obama. He's my favorite president of all time. I have a giant picture in my apartment in New York that is of his Chicago Tribune cover, Mr. President.

~Adam Pally

America is never great. America is great in what it can be, which is the American dream.
