People believe what they want to believe. You have to run your race and be proud of the person you see in the mirror.

~Adam Richman

Did you see *The Never-Ending Story*? That's one kick-ass dragon. It's basically a giant puppy dragon.

~Adam Richman

In the early '90s I was floating somewhere between the Brat Pack/Andrew McCarthy/James Spader/Pretty In Pink kind of stuff and the alterna-pop look, crossed with a very distinct grunge sensibility.

~Adam Richman

People also respected my culinary acumen and my intelligence, and that was their whole thing. They flew me over, and it was this immersive experience.

~Adam Richman

I do feel that, generally, people will see me and go, "He knows where the good food is," which is an awesome correlative. It's an awesome simplification.

~Adam Richman

I thought maybe I would be everyone's favorite dude-food friend.

~Adam Richman

If it's a question about stuff that matters to you personally, like favorite food, favorite piece of knowledge, favorite animal, it's hard not to have an opinion and want to quantify things.

~Adam Richman

Gratitude is the attitude. That's the thing.

~Adam Richman

You can change your spouse, your friends but never your club.

~Adam Richman

If I had Sirius FM and fire-breathing in a giant puppy dragon, I'd be golden.

~Adam Richman

If something is nice about you, usually one or two people will tell you. If something is foul about you, everyone will tell you.

~Adam Richman

Man V. Food is the highest-rated show in the Travel Channel's history, so clearly there's going to be a correlation.

~Adam Richman

The first one that I went to with my friends was with my buddy Michael - and we actually cut class to get tickets - was INXS at the Garden.

~Adam Richman

When Lollapalooza started, and I was really into Red Hot Chili Peppers and Jane's Addiction, Soundgarden. I went to that Lollapalooza tour twice, I think.

~Adam Richman

I've always been a massive Beastie Boys fan, so if you look at their style aesthetic on Check Your Head, that was the headspace I was in for a minute. Whatever that was, that was me.

~Adam Richman

There are soccer athletes that are known the world over except in the U.S. Thierry Henry, for example.

~Adam Richman

I think that in terms of who is known the world over, I would wager that

it's probably someone like Mark Wahlberg or Dwyane Wade.

~Adam Richman

Shaq is Shaq. I did an episode of The Soup with Shaq, and he shook my hand, and I felt like I was a Ken doll, like I had no hand.
