## Quotes

*Guitar, Years, Band, Song, Play, Dust, Sound, Luxury, Work Out, Soul, Trying, School, Music, Next Year, Analog, Easy, Technique, Inspiration, Demos, Artist*

Digital for storage and quickness. Analog for fatness and warmth.

~Adrian Belew

Age 10. I joined the school marching band as a drummer.

~Adrian Belew

I borrowed a guitar at age 16 and taught myself to play because I wanted to write songs.

~Adrian Belew

I was left with an urge to make the guitar sound like things it shouldn't be able to sound like.

~Adrian Belew

Yes, but don't forget I also have the luxury of the worlds finest band when it gets lonely.

~Adrian Belew

I thought I might be a band instructor, someone who plays all the instruments and teaches others.

~Adrian Belew

Currently I'm working with Parker Fly on a new Midi guitar to arrive next year.

~Adrian Belew

King Crimson is never easy; it's challenging. That's why I like it.

~Adrian Belew

I have no secrets; all of these things have been discussed at length in guitar magazines over the years but are far too elaborate to cover in one article.

~Adrian Belew

DUST includes rarities, demos, unreleased songs and instrumentals, live recordings, and more.

~Adrian Belew

As you can appreciate over my lifetime I've developed a large vocabulary of sounds each requiring certain physical techniques often combined with a specific effect box.

~Adrian Belew

My heart and soul are in the Stratocaster

~Adrian Belew

I love drums and still play frequently.

~Adrian Belew

I have enjoyed all the artists I've worked with.

~Adrian Belew

My favorite puzzle is trying to work out the parts myself, after all it is a solo effort.

~Adrian Belew
