You'd be surprised how difficult it is to relinquish a cell phone

~Adrien Brody

What guides me is to do work that's more avant-garde - things that I think are special. You can easily become a celebrity and get caught up in all that blur. I just want to work and surprise myself.

~Adrien Brody

A little bit of attention and kindness can totally change a whole life, and a lack of that can do the same.

~Adrien Brody

I was a wild, mischievous kid, and I had tremendous imagination. Any experience I had, I'd try to reenact it.

~Adrien Brody

It made me have a much greater understanding of loss, of loneliness, and the level of intense tragedy that so many people have experienced in this world, I take a lot less for granted.

~Adrien Brody

My dad told me, 'It takes fifteen years to be an overnight success', and it took me seventeen and a half years.

~Adrien Brody

I try to pace myself and not work for the sake of working and stick to what inspired me prior to receiving recognition.

~Adrien Brody

It would be terribly boring to be earnest.

~Adrien Brody

Film is a time capsule. If I have a lack of dedication or focus, it's permanently there as a negative reminder.

~Adrien Brody

I always had an actor within me.

~Adrien Brody

War is chaotic and when you start having a larger scale film and you have a lot of safety protocols and choreography, I would imagine it becomes more difficult.

~Adrien Brody

Obviously I'm not there to pick up anybody, but I'm not afraid to hang out in a predominantly gay establishment.

~Adrien Brody

I grew up without a lot of money and my parents grew up with far less money. And that's kept me in line. Really in line.

~Adrien Brody

It's interesting because you feel on the one hand, we understand people from what they say, and in another sense, you'd think that you'd be able to convey more through dialogue.

~Adrien Brody

I think you have to be fair with one another. It's unfortunate when someone does something that's not authentic, or not there for any reason other than to draw attention.

~Adrien Brody

I bet they didn't tell you that was in the gift bag.

~Adrien Brody

People think fame and money will bring you happiness. Fame actually makes life, especially human relationships, much more complicated.

~Adrien Brody

It's interesting, winning an Academy Award as a young man... life-changing, but I'm just me within that. It's been very helpful for my career, but I'm trying to stay on the path I was on before.
