Being Latina to me is living your life like it's a big old fiesta!

~Adrienne Bailon

Always remember that somebody is praying for the opportunity that you have.

~Adrienne Bailon

I honestly really, really love Topshop. I've bought a lot of booties from there. I think they have a great selection of really funky booties at Topshop.

~Adrienne Bailon

Don't ever give up. Believe in yourself or no one else will. My personal saying is: 'I'd rather die knowing that I tried to do what I love.'

~Adrienne Bailon

Autism doesn't have to define a person. Artists with autism are like anyone else: They define themselves through hard work and individuality.

~Adrienne Bailon

I think the most important thing that I've learned is that you live and you learn. Try not to make the same mistakes twice.

~Adrienne Bailon

I wasn't born with a silver spoon in my mouth; I came from really humble beginnings - the projects of New York City - and I worked my way to get to where I am.

~Adrienne Bailon

You can be afraid to voice your opinions but you just fight through it. It's like NIKE okay you just do it.

~Adrienne Bailon

I feel like in L.A., you wake up, you put your diamond studs on, put your workout gear, your cute shades, and it is kind of the outfit you stay in the entire day.

~Adrienne Bailon

Everybody knows I have the ratchetest booty tattoo of an ex-boyfriend.
