There's smoke in my iris, but I painted a sunny day on the insides of my eyelids

~Aesop Rock

The only bridge I've ever burned along this legacy I dance is the one that linked the cities of prosperity and chance.

~Aesop Rock

Dream a little dream, Or you can live a little dream I'd rather live it
'Cause dreamers always chase But never get it

~Aesop Rock

I'm just tryin to be somebody I can talk to in the morning with a smile.

~Aesop Rock

Too bad your inner sheep never forgets to follow.

~Aesop Rock

The older I get, the less I care about what's cool. I realize I'm old and weird.

~Aesop Rock

I'm Mozart with a focus on the tide Hiding the inconsistencies of man behind water and wine

~Aesop Rock

The alleycats manipulate the blocks with gutter magic

~Aesop Rock

I've learned I don't like being around people too much. It's hard to stand around and make conversation with people I've learned. But I do want to be the guy that can do it easily.

~Aesop Rock

Armchair hater, I wouldn't piss on your coffin But when I see your picture I draw dicks on it.

~Aesop Rock

You can't get someone to like something they aren't feeling. After you press play, there isn't anything you can do.

~Aesop Rock

Everyone's been on the "hip-hop is dead" campaign for years, and now it's the most unsure-of-itself genre ever.

~Aesop Rock

Honestly, I don't feel pressure to live up to anything I've done because I tend to not listen to my work once a year passes.

~Aesop Rock

I started freestyling with friends about eight or nine years ago. I started writing also around the same time, but didn't meet blockhead until about '94. I started making beats not until about '96.

~Aesop Rock

God helps those who have no-cut contracts.
