People need realness, reality. People can sense when someone is being pretentious or fake. It's because you feel it; you see it in someone's body language.

~Afrojack

The only thing you can do to lead a crowd is prove your passion to them.

~Afrojack

One of the reasons why my album is called 'Forget the World' is because when you listen to the world, you make stupid mistakes.

~Afrojack

Holland is to dance music what Nashville is to country.

~Afrojack

Every song, every form of art, clothing, shoes, it has to be special.

~Afrojack

When you're walking down the street or in the car just listening to the radio, and you're, like , 'Oh, that's my song.' You want to say, 'Hey Mom!' That never changes.

~Afrojack

Maybe one day there will finally be an education for electronic music.

~Afrojack

Cars for me are like a piece of art.

~Afrojack

I actually did a remix for Katy Perry, and her management didn't respond.
