Quotes

*Thinking, Egypt, People, Book, Religious, Way, Christian, Resources, Knowing,
Effort, Lists, Enjoy, Bangs, Senior, Unique, Mars, Students, Danger, Order,
Needs*

I don't know all the reasons for these achievements, but I know that I love what I do and I have never wanted to rest on my laurels.

~Ahmed H. Zewail

Perhaps the most valuable thing he taught me (his father) was that there is no contradiction between devotion to work and enjoyment of life and people

~Ahmed H. Zewail

Invest in basic research and recruit the best minds.

~Ahmed H. Zewail

Everybody thinks some times that science is done as a master plan and that somebody like me came from Mars and figured out everything and so on, but that's really not the way it worked.

~Ahmed H. Zewail

Think about the whole world of biological complex sciences. We still don't understand the way a protein folds the way it does.

~Ahmed H. Zewail

Human resources are just tremendous in Egypt but we need the science base.

~Ahmed H. Zewail

One of the things I enjoy most is to be left alone with a book.

~Ahmed H. Zewail

We still don't understand how the big bang and evolving all the way to the human species and so on. So all of this is going to be a very, very exciting to the new people.

~Ahmed H. Zewail

I came from Egypt and I owe Egypt a lot to what I am now.

~Ahmed H. Zewail

I do feel quite strongly about this that probably one of the things that unfortunately this age now to get a Nobel Prize is to really use part of it to help the young people get excited about science.

~Ahmed H. Zewail

You should have some time to think and that's very important.

~Ahmed H. Zewail

There is a danger one has to really be knowing much more because you can't be too narrow on science.

~Ahmed H. Zewail

For me to sit down here, even as a Nobel Laureate and make a prediction about which science I think that will be a mistake.

~Ahmed H. Zewail

I do feel that there are tremendous amount of talent in Egypt, human resources.

~Ahmed H. Zewail

I found with my students they don't necessarily look at journals any more, but they print right away from the internet what's relevant to what's he doing you see.

~Ahmed H. Zewail
