Simply that we are mirroring the trends in society, at any given time smuggling was an issue in the seventies, corruption is an issue today, and we faithfully reflect those issues.

~Ajay Devgan

I never talk about my personal life. After these rumours, I definitely do not want to comment on anything.

~Ajay Devgan

Today I divide my day between being actor, producer and distributor, and the monotony is broken.

~Ajay Devgan

By getting into distribution and production, I am actually widening my base.

~Ajay Devgan

It gets tiring, doing the same thing everyday.

~Ajay Devgan

As far as I know, if you take your time, write a good script and make a good film, then give the audience time, they will accept it.

~Ajay Devgan

In the South, it is different, they have an audience that is literate.

~Ajay Devgan

I only want to do better work. That's the focus of my life.

~Ajay Devgan

If somebody had started on a remake of French Kiss before I announced my own film, I would have dropped my subject. If someone else starts after me, what am I to do?

~Ajay Devgan

I don't see the risk, I enjoy performing stunts, and I don't get scared.

~Ajay Devgan

There're so many things I want to do, like become more media savvy. I am too lazy. But I'm making an effort.

~Ajay Devgan

The difference being that in films, unlike in life, good does always win over evil in the end.

~Ajay Devgan

I have had 50 drinks in one go!

~Ajay Devgan

Abroad, they have covered pretty much all subjects, explored every possibility, every twist. So similarities between ideas you have and those filmed abroad are quite possible.

~Ajay Devgan

To make a film and to sell it to the distributors you need a name.

~Ajay Devgan

I'm going to keep making films I believe in. Whether I am successful or not is besides the point.

~Ajay Devgan

You get an image after you act in a film, but it is not necessary that you last long because of that image.
