The Difference Between Dreams & Success Is, Dreams Need Effortless Sleep & Success Needs Sleepless Efforts

~Akon

Two Things that Define SUCCESS In LIFE: - The Way You Manage when You Have Nothing & Way You Behave when You Have Everything

~Akon

When I first heard hip-hop I thought it was rubbish because I didn't understand the concept of people talking over music.

~Akon

I'm a polygamist. I can afford to have as many wives as I can afford to have. All Africans believe in it. My dad has four wives.

Eminem is the greatest, ever.

~Akon

As long as you're giving up quality records and you're makin' hit records, people are always gonna want to hear a hit and they'll always want to be attached to something that's doin' great.

~Akon

I just like music all the way around the board. I can't stick to one thing - I've got to move around.

~Akon

I don't want to know I'm getting older. Then I'll start to think about getting checkups and insurance. I don't want that.

~Akon

Melody has a certain way that it projects back to you. It triggers certain

nerves in your body and certain instincts that normally wouldn't be triggered by a normal voice.

~Akon

I love to just go to the movies, watch movies, listen to the scores and all that 'cause that's, like, the next step for me.

~Akon

It's always the music first for me. But if the music isn't selling, there isn't gonna be no business. So you gotta make sure music is always the first priority.

~Akon

I always try to give my own albums space in between so I have time to create a new sound and give time for people to miss me. You have to come out fresh and reinvent yourself.

~Akon

My ideas come when I least expect it, so I've always got to have a studio nearby or close by somewhere.

~Akon

I always want to set myself a challenge by doing something no-one would expect me to do! But, having said that, I don't feel as a musician you can steer too far away from what you normally do.

~Akon

The moment artists can just do what they love to do then music will go right back to where it used to be. I mean back in the '60s and '70s and '80s, that's what it was.
