

Al Gore Quotes

*Thinking, People, Years, Country, Climate, Civilization, Energy, Believe,
Political, Long, America, War, Children, President, Men, Technology,
Atmosphere, Law, Real, Needs*

A zebra does not change its spots.

~Al Gore

We know that he has stored secret supplies of biological and chemical weapons throughout his country.

~Al Gore

A zebra can not change it's spots.

~Al Gore

CO2 is the exhaling breath of our civilization, literally... Changing that pattern requires a scope, a scale, a speed of change that is beyond what we have done in the past.

~Al Gore

We are running out of time, we must have a planetary solution to a planetary crisis.

~Al Gore

Airplane travel is nature's way of making you look like your passport photo.

~Al Gore

Each and every one of us can make changes in the way we live our lives and become part of the solution [to climate change]

~Al Gore

The warnings about global warming have been extremely clear for a long time. We are facing a global climate crisis. It is deepening. We are entering a period of consequences.

~Al Gore

Believe in the power of your own voice. The more noise you make, the more accountability you demand from your leaders, the more our world

will change for the better.

~Al Gore

I drive a hybrid, and we've changed our light bulbs and windows and installed solar panels and geothermal ground source heat pumps and most everything else.

~Al Gore

The survival of the United States of America as we know it is at risk. And even more " if more should be required " the future of human civilization is at stake.

~Al Gore

Here is the truth: The Earth is round; Saddam Hussein did not attack us on 9/11; Elvis is dead; Obama was born in the United States; and the climate crisis is real.

~Al Gore

When you have the facts on your side, argue the facts. When you have the law on your side, argue the law. When you have neither, holler.

~Al Gore

George Bush taking credit for the wall coming down is like the rooster taking credit for the sun rising.

~Al Gore

Future generations may well have occasion to ask themselves, "What were our parents thinking? Why didn't they wake up when they had a chance?" We have to hear that question from them, now.

~Al Gore

In digital era, privacy must be a priority. Is it just me, or is secret blanket surveillance obscenely outrageous?

~Al Gore

What we take for granted might not be here for our children.

~Al Gore

I am Al Gore, and I used to be the next president of the United States of America.

~Al Gore

We all know the leopard can't change his stripes.

~Al Gore

The Bush administration works closely with a network of rapid response digital brownshirts who work to pressure reporters and their editors for 'undermining support for our troops.'

~Al Gore

Of all the works of civilization that interfere with the natural water distribution system, irrigation has been by far the most pervasive and powerful.

~Al Gore

In a time of darkness, you don't curse the darkness, you light a candle.

~Al Gore

Iraq's search for weapons of mass destruction has proven impossible to deter and we should assume that it will continue for as long as Saddam is in power.

~Al Gore

I think the cost of energy will come down when we make this transition to renewable energy.

~Al Gore

There is an air of unreality in debating these arcane points when the world is changing in such dramatic ways right in front of our eyes

because of global warming.

~Al Gore

Winston Churchill aroused this nation in heroic fashion to save civilisation in World War Two. We have everything we need except political will, but political will is a renewable resource.

~Al Gore

During my service in the United States Congress, I took the initiative in creating the Internet.

~Al Gore

The way to bring gas prices down is to end our dependence on oil and use the renewable sources that can give us the equivalent of \$1 per gallon gasoline.

~Al Gore

What changed in the United States with Hurricane Katrina was a feeling that we have entered a period of consequences.

~Al Gore

Tobacco addiction sinks its claws in deeply, it's just as powerful of [sic] an addiction as heroin or crack cocaine.

~Al Gore

It is just human nature to take time to connect the dots, I know that. But I also know that there can be a day of reckoning when you wish you had connected the dots more quickly.

~Al Gore

All I have to do is be the best AI I can be, because I'm good enough, I'm smart enough and, doggone it, people like me.

~Al Gore

Our world faces a true planetary emergency. I know the phrase sounds shrill, and I know it's a challenge to the moral imagination.

~Al Gore

I think the fact that within the bitcoin universe an algorithm replaces the functions of the government is actually pretty cool. I am a big fan of bitcoin.

~Al Gore

The day I made that statement, about the inventing the internet, I was tired because I'd been up all night inventing the Camcorder.

~Al Gore

A low voter turnout is an indication of fewer people going to the polls.

~Al Gore

Take it from me, every vote counts.

~Al Gore

The catastrophe now threatening us is unprecedented - and we often confuse the unprecedented with the improbable.

~Al Gore

When fear displaces reason, the result is often irrational hatred and division.

~Al Gore

I don't really consider this a political issue, I consider it to be a moral issue.

~Al Gore

...it ought to be possible to establish a coordinated global program to accomplish the strategic goal of completely eliminating the internal combustion engine over, say, a twenty-five-year period.

~Al Gore

The choice to 'do nothing' in response to the mounting evidence is actually a choice to continue and even accelerate the reckless environmental destruction that is creating the catastrophe at hand.

~Al Gore

As many know, the Chinese expression for "crisis" consists of two characters side by side. The first is the symbol for "danger," the second the symbol for "opportunity."

~Al Gore

you can't be value free when it comes to marriage

~Al Gore

I'm a big fan of Bitcoin ... Regulation of money supply needs to be depoliticized.

~Al Gore

For me, the most disturbing aspect of the Republican political culture is how it puts its unquenchable thirst for power, domination and a radical ideology above facts, reason and the truth.

~Al Gore

The planet is in distress and all of the attention is on Paris Hilton.

~Al Gore

We're all capable of mistakes, but I do not care to enlighten you on the mistakes we may or may not have made.

~Al Gore

I pledge to you today that as president, in my first budget, I will introduce the largest increase in special education ever.

~Al Gore

Hurricane Sandy is a disturbing sign of things to come. We must heed this warning and act quickly to solve the climate crisis. Dirty energy makes dirty weather.

~Al Gore

I do believe, as my father once said, that "No matter how hard the loss, defeat might serve as well as victory to shake the soul and let the glory out."

~Al Gore

In a free society, there comes a time when the truth - however hard it may be to hear, however impolitic it may seem to say - must be told.

~Al Gore

Plant trees, Lots of trees

~Al Gore

I think George W. Bush has a warm, engaging personality. But, you know, the presidency is more than just a popularity contest.

~Al Gore

The presidency is more than a popularity contest.

~Al Gore

I doubt nuclear power will play a much larger role than it does now.

~Al Gore

I was born a poor black child.

~Al Gore

Civil disobedience has an honourable history, and when the urgency and moral clarity cross a certain threshold, then I think that civil disobedience is quite understandable, and it has a role to play.

~Al Gore

When it comes to climate, we can all make a big difference.

~Al Gore

I have absolutely no plans and no expectations of ever being a candidate again.

~Al Gore

How could this Y2K be a problem in a country where we have Intel and Microsoft?

~Al Gore

Adopting a central organizing principle means embarking on an all-out effort to use every policy and program, every law and institution, to halt the destruction of the environment.

~Al Gore

Most people in politics draw energy from backslapping and shaking hands and all that. I draw energy from discussing ideas.

~Al Gore

Hey, you know what, I've gotta go on that 'Letterman' show. That show is so lame.

~Al Gore

Pollution should never be the price of prosperity.

~Al Gore

As president, I will bring all the parties and stakeholders together. I am going to come up with a solution that respects the environment and does not cause an upheaval in the economy.

~Al Gore

The conversation on global warming has been stalled because a shrinking group of denialists fly into a rage when it's mentioned.

~Al Gore

While President Bush likes to project an image of strength and courage, the real truth is that in the presence of his large financial contributors, he is a moral coward.

~Al Gore

In a time of social fragmentation, vulgarity becomes a way of life. To be shocking becomes more important - and often more profitable - than to be civil or creative or truly original.

~Al Gore

We need to remake the Democratic party. We need to remake America.

~Al Gore

I didn't realize I was in a Buddhist temple.

~Al Gore

I used to have a military officer travelling with me at all times with a suitcase - referred to as the nuclear football - in case it had to be used.

~Al Gore

The scientific evidence of how serious this climate crisis is becoming continues to amass week after week after week.

~Al Gore

I see myself in the mold of Rin Tin Tin. It didn't go to his head either.

~Al Gore

When energy prices go up, the difficulty of projecting demand also goes up - uncertainty goes up.

~Al Gore

Well-established theories collapse under the weight of new facts and observations which cannot be explained, and then accumulate to the point where the once useful theory is clearly obsolete.

~Al Gore

We can build a collective civic space large enough for all our separate identities, that we can be E Pluribus Unum - Out of One, Many.

~Al Gore

The interior of the earth is extremely hot - several million degrees.

~Al Gore

We sometimes emphasize the danger in a crisis without focusing on the opportunities that are there.

~Al Gore

I smoked pot in college and in the Army.

~Al Gore

I believe that the purpose of life is to glorify God.

~Al Gore

Believe in the power of your own voice.

~Al Gore

The truth is that we're at a critical juncture in the history of our species and if we don't act soon, we could inhabit a world we don't recognize anymore.

~Al Gore

To use a Southern euphemism, our space program has been snake-bit.

~Al Gore

Making consumer choices that reward eco-friendly products and companies is a great way to start.

~Al Gore

The struggle against poverty in the world and the challenge of cutting wealthy country emissions all has a single, very simple solution... Here it is: Put a price on carbon.

~Al Gore

Our new technologies, combined with our numbers, have made us, collectively, a force of nature

~Al Gore

Consider what kind of car you get. Buy cars and other products that have the least impact environmentally.

~Al Gore

The moral imperative to make big changes is inescapable...that what we take for granted may not be here for our children

~Al Gore

Our insatiable drive to rummage deep beneath the surface of the earth is a willful expansion of our dysfunctional civilization into Nature.

~Al Gore

I am old enough to know that a red carpet is just a rug.

~Al Gore

ManBearPig, half man, half bear, half pig

~Al Gore

I was recently on a tour of Latin America, and the only regret I have was that I didn't study Latin harder in school so I could converse with those people.

~Al Gore

I strongly believe in the separation of church and state. But freedom of religion does not mean freedom from religion, there is a better way.

~Al Gore

The global environment crisis is, as we say in Tennessee, real as rain, and I cannot stand the thought of leaving my children with a degraded earth and a diminished future.

~Al Gore

The debate's over. The people who dispute the international consensus on global warming are in the same category now with the people who think the moon landing was staged on a movie lot in Arizona.

~Al Gore

I think that more diversity is a good thing, and fresh points of view articulated by people who are committed to excellence in journalism is a beneficial change in the American media landscape.

~Al Gore

I'm sorry I ever invented the Electoral College.

~Al Gore

We're operating this planet like a business in liquidation.

~Al Gore

I'm not trying to top anything. I'm trying to be useful, to play a positive role, to serve the public interest.

~Al Gore
