And Thin, Please, Boyish, Winner, Gone, Barns, Four, Police, Goal, Morning,
Individual, Wednesday*

John Cross is feeling very boyish about Arsenal's chances

~Alan Brazil

I don't want to stir up a can of worms.

~Alan Brazil

Belgium's not a hotpot of international football

~Alan Brazil

In the papers this morning: 'Police closing in on Ian Holloway.' Sorry, it's 'Palace closing in on Ian Holloway.'

~Alan Brazil

Some players need a boot up their backside. Other players need the arm

~Alan Brazil

The man is United - cut him and he bleeds red

~Alan Brazil

Levante have gone fourth in Serie A. If anyone can tell me what part of Italy Levante is in, please call. I've no idea

~Alan Brazil

I'm not going to single individuals out but Yakubu has missed loads of great chances

~Alan Brazil

I have seen players sent off for far worse offences than that.

~Alan Brazil

I've got my doubts, there's no doubt about it

~Alan Brazil

Scotland have this habit of kicking themselves in the foot

~Alan Brazil

In their last four Blackburn have lost 3-0, 3-1, 5-3 and 3-2. It doesn't take a rocket scientist to work out that's 12 goals conceded

~Alan Brazil

I wouldn't touch Chimbonda with a barn door

~Alan Brazil

Some of the Scotland players need to look themselves in the face.

~Alan Brazil

Clint Dempsey scored a last-minute winner to earn Tottenham a 1-1 draw against United.

~Alan Brazil

The tackles are coming in thick and thin now.

~Alan Brazil

Spurs fans are feeling very boyish about the future

~Alan Brazil

There's a good-feel factor about Sheffield Wednesday

~Alan Brazil
