*Football, Soccer, People, Commentators, Church, Thinking, Looks, Christian, Games, Giving, Teenager, Language, Cherries, Views, Ifs, Goal, Jesus, Foul, Inspiration, Playing Football*

You don't score 64 goals in 86 games at the highest level without being able to score goals.

~Alan Green

In the time of Mrs Thatcher the church, to give it its due, spoke out and was an enemy of the Conservative government.

~Alan Green

Here's Brian Flynn. His official height is five feet five and he doesn't look much taller than that

~Alan Green

I've bought QPP shares but unfortunately both times I bought it they immediately dropped by over 10p. Do you pay much attention to the dealing notes?

~Alan Green

That level of expectation that I'm going to be conservative is really disappointing, but it is how many people think about clergy and the church

~Alan Green

This will be their 19th consecutive game without a win unless they can get an equaliser.

~Alan Green

A few question marks are being asked in the Honduran defence

~Alan Green

Xavier, who looks just like Zeus, not that I have any idea what Zeus looks like.

~Alan Green

They care about their club, and that's why they always have something

good to say, even when it is negative

~Alan Green

As a parish priest of the Church Of England I promise to look after everyone in the community, not just those who come to church, not just white people, not just the Christians.

~Alan Green

Phil Dowd checks his whistle and blows his watch.

~Alan Green

I don't know where this Arctic wind has come from but it's freezing!

~Alan Green

Ziege hits it high for Heskey who isn't playing

~Alan Green

It was the game that put the Everton ship back on the road.

~Alan Green

John Arne Riise was deservedly blown up for that foul

~Alan Green

John Moncur has been much more effective since he came on

~Alan Green

Tugay is writhing around all over the place as if he were dead

~Alan Green

Well, he had two stabs at the cherry

~Alan Green

The [book of the bible] Song Of Songs is an amazing erotic love poem that the church has tried very hard not to notice. It is really beautiful,

and musical in its poetry.

~Alan Green

I think what we're really bad at doing is recognising that it is possible to have lost of different views within the church.

~Alan Green

I've never really separated out the spiritual and the secular.

~Alan Green
