Fitness needs to be perceived as fun and games or we subconsciously avoid it.

~Alan Thicke

I'll be on my third honeymoon, so I'm more of an authority than I care to be.

~Alan Thicke

It's always been said that comedy comes mostly out of the dark side anyway.

~Alan Thicke

If a director can find the exact combination between the written word as a guideline and improvisational input from his actors, I think that's where you'll find the most successful work being done.

~Alan Thicke

I'm a big proponent of having a mental health component go along with whatever the physical realities are.

~Alan Thicke

On a selfish basis, I really enjoy sports and activity.

~Alan Thicke

I've never been a big fan of improvisation, because I think you appreciate the process and the cleverness of it more than the actual comedy in most cases.

~Alan Thicke

I've always felt that improv looks and feels more clever when you're there to experience it live than when you have the degree of separation that television creates. Television raises expectations.

~Alan Thicke

My two boys were the same ages as the kids in the show. In real life or in between the breaks I was raising two kids off camera who were not unlike the two kids who were being paid to be my kids.

~Alan Thicke

I'm not able to go in with an act that I use month to month year to year all the time. It's constantly evolving and changing and that keeps me on my toes but certainly adds to the challenge.

~Alan Thicke

I wouldn't call myself a standup in the presence of Jerry Seinfeld or Chris Rock, but I do my share of it and it has been and remains part of my activity and I like it.

~Alan Thicke

If it is a first offense, you ground them and have a talk. The second offense would call for counseling.
