Weak people revenge. Strong people forgive. Intelligent People Ignore.

~Albert Einstein

The difference between stupidity and genius is that genius has its limits.

~Albert Einstein

Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.

~Albert Einstein

Don't listen to the person who has the answers; listen to the person who has the questions.

~Albert Einstein

Men marry women with the hope they will never change. Women marry men with the hope they will change. Invariably they are both disappointed.

~Albert Einstein

The world will not be destroyed by those who do evil, but by those who watch them without doing anything.

~Albert Einstein

Women always worry about things that men forget; men always worry about things women remember.

~Albert Einstein

Success comes from curiosity, concentration, perseverance and self criticism.

~Albert Einstein

If you want to live a happy life, tie it to a goal, not to people or objects.

~Albert Einstein

The only thing more dangerous than ignorance is arrogance

~Albert Einstein

The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honors the servant and has forgotten the gift.

~Albert Einstein

Any fool can know. The point is to understand.

~Albert Einstein

A person who never made a mistake never tried anything new.

~Albert Einstein

Experience is knowledge. All the rest is information.

~Albert Einstein

A clever person solves a problem. A wise person avoids it.

~Albert Einstein

Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.

~Albert Einstein

Mankind invented the atomic bomb, but no mouse would ever construct a mousetrap.

~Albert Einstein

Imagination is more important than knowledge. Knowledge is limited. Imagination encircles the world.

~Albert Einstein

Don't wait for miracles, your whole life is a miracle.

~Albert Einstein

Everything that exists in your life, does so because of two things: something you did or something you didn't do.

~Albert Einstein

The more I study science, the more I believe in God.

~Albert Einstein

If you can't explain it simply, you don't understand it well enough.

~Albert Einstein

You do not really understand something unless you can explain it to your grandmother.

~Albert Einstein

It is the supreme art of the teacher to awaken joy in creative expression and knowledge.

~Albert Einstein

When you trip over love, it is easy to get up. But when you fall in love, it is impossible to stand again.

~Albert Einstein

You can't use an old map to explore a new world.

~Albert Einstein

We cannot solve our problems with the same thinking we used when we created them.

~Albert Einstein

Three great forces rule the world: stupidity, fear and greed.

~Albert Einstein

Genius is 1% talent and 99% percent hard work.

~Albert Einstein

Be a voice not an echo.

~Albert Einstein

Be a loner. That gives you time to wonder, to search for the truth. Have holy curiosity. Make your life worth living.

~Albert Einstein

Intelligence is not the ability to store information, but to know where to find it.

~Albert Einstein

Life is like riding a bicycle. To keep your balance, you must keep moving.

~Albert Einstein

Imagination is more important than knowledge.

~Albert Einstein

If you want different results, do not do the same things.

~Albert Einstein

We cannot get to where we dream of being tomorrow unless we change our thinking today.

~Albert Einstein

If one day you have to choose between the world and love, remember this: If you choose the world you'll be left without love, but if you choose love, with it you will conquer the world

~Albert Einstein

Whoever is careless with the truth in small matters cannot be trusted in important affairs.

~Albert Einstein

Three Rules of Work: Out of clutter find simplicity. From discord find harmony. In the middle of difficulty lies opportunity.

~Albert Einstein

Imagination is more important than knowledge. Imagination is the language of the soul. Pay attention to your imagination and you will discover all you need to be fulfilled.

~Albert Einstein

Learn from yesterday, live for today.

~Albert Einstein

Only two things are infinite, the universe and human stupidity, and I'm not sure about the former.

~Albert Einstein

Failure is success in progress

~Albert Einstein

Peace cannot be kept by force; it can only be achieved by understanding.

~Albert Einstein

You never fail until you stop trying.

~Albert Einstein

The woman who follows the crowd will usually go no further than the crowd. The woman who walks alone is likely to find herself in places no one has ever been before.

~Albert Einstein

There is no vaccine against stupidity.

~Albert Einstein

If I had only one hour to save the world, I would spend fifty-five minutes defining the problem, and only five minutes finding the solution.

~Albert Einstein

Once you stop learning, you start dying

~Albert Einstein

The measure of intelligence is the ability to change.

~Albert Einstein

In the middle of every difficulty lies opportunity.

~Albert Einstein

Everyone knew it was impossible, until a fool who didn't know came along and did it.

~Albert Einstein

I'm more interested in the future than in the past, because the future is where I intend to live.

~Albert Einstein

Logic will get you from A to B. Imagination will take you everywhere.

~Albert Einstein

No problem can be solved from the same level of consciousness that created it.

~Albert Einstein

Genius is making complex ideas simple, not making simple ideas complex

~Albert Einstein

The only mistake in life is the lesson not learned.

~Albert Einstein

The height of stupidity is most clearly demonstrated by the individual who ridicules something he knows nothing about.

~Albert Einstein

The more I learn, the more I realize I don't know.

~Albert Einstein

God did not create evil. Just as darkness is the absence of light, evil is the absence of God.

~Albert Einstein

Our death is not an end if we can live on in our children and the younger generation. For they are us; our bodies are only wilted leaves on the tree of life.

~Albert Einstein

Don't let your brain interfere with your heart.

~Albert Einstein

If you want your children to be intelligent, read them fairy tales. If you want them to be more intelligent, read them more fairy tales.

~Albert Einstein

I have made the Bhagwad Gita as the main source of my inspiration and guide for the purpose of scientific investigations and formation of my theories.

~Albert Einstein

Thinking is hard work; that's why so few do it.

~Albert Einstein

Coincidence is God's way of remaining anonymous.

~Albert Einstein

I am neither especially clever nor especially gifted. I am only very, very curious.

~Albert Einstein

You have to learn the rules of the game. And then you have to play better than anyone else.

~Albert Einstein

Live with purpose. Don't let people or things around you get you down.

~Albert Einstein

If A is a success in life, then A equals x plus y plus z. Work is x; y is play; and z is keeping your mouth shut

~Albert Einstein

When the solution is simple, God is answering.

~Albert Einstein

The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it.

~Albert Einstein

Insanity: doing the same thing over and over again and expecting different results.

~Albert Einstein

The true sign of intelligence is not knowledge but imagination.

~Albert Einstein

The most beautiful thing we can experience is the mysterious. It is the source of all true art and science.

~Albert Einstein

If I were not a physicist, I would probably be a musician. I often think in

music. I live my daydreams in music. I see my life in terms of music.

~Albert Einstein

Condemnation before investigation is the highest form of ignorance.

~Albert Einstein

Science without religion is lame, religion without science is blind.

~Albert Einstein

Blind belief in authority is the greatest enemy of truth.

~Albert Einstein
