I will be the first to admit I am not perfect and I make mistakes.

~Alberto Gonzales

I want to be clear. No company is too big to be prosecuted. We have zero tolerance for corporate fraud, but we also recognize the importance of avoiding collateral consequences whenever possible.

~Alberto Gonzales

But the Congress has made the determination that certain kinds of information can be protected even though the American people may want to have access to information.

~Alberto Gonzales

I have lived the American dream. Even my worst days as attorney general have been better than my father's best days.

~Alberto Gonzales

Our hearts and prayers go out to the people in London and in Egypt. We're very concerned about it. We are providing our expertise to aid in the investigation in London.

~Alberto Gonzales

In this job, you're going to make decisions. You'll say things that some people are going to love them, some people are going to hate them. It's just part of the job.

~Alberto Gonzales

I consider myself a casualty, one of the many casualties of the war on terror.

~Alberto Gonzales

Well, first of all, let me say that - let me remind your viewers that I am recused from this investigation, and what I said this weekend is not anything new.

~Alberto Gonzales

Well, there is an attorney-client privilege here that needs to be respected, and it's a privilege that has been found to be worthy of protection by our courts.

~Alberto Gonzales

Access to information and freedom of access to it may seem like a fundamental right but there are many people who think, rightly or wrongly, it is for your own good that it is hidden.

~Alberto Gonzales

There is no express grant of habeas in the Constitution. There's a prohibition against taking it away.

~Alberto Gonzales

In my judgement, this new paradigm renders obsolete Geneva's strict limitations on questioning of enemy prisoners and renders quaint some of its provisions.

~Alberto Gonzales

We haven't seen a situation where you have the FBI director talk about an investigation side by side with the attorney general who confirms, yes, I accept the recommendation of the FBI director.

~Alberto Gonzales

Sometimes you may make an announcement about an investigation and then you turn out not to do anything about it, but nonetheless it adversely affects someone's life.
