The future of Cuba is one earned by a country that has resisted for over 50 years against the most powerful empire on Earth. The resilience of its people made this triumph materialize.

~Alejandro Castro Espin

There is no one more talkative than Cubans, Cubans express their feelings, there's nobody more rebellious and revolutionary than a Cuban and I say that without chauvinism.

~Alejandro Castro Espin

In Cuba we had the most ferocious form of capitalism for 60 years. It dominated every sphere of life.

~Alejandro Castro Espin

Under communism, no one would be living in marginal conditions as they do under capitalism today and where the greatest part of humanity lives.

~Alejandro Castro Espin

Today China is a first world economy, in terms of development. The U.S. may still be in first in GDP but it is a broken economy in reality.

~Alejandro Castro Espin

Cuba has not accepted the domain and imposition of an empire that has wanted to dominate us for over half a century [America].

~Alejandro Castro Espin

The United States turned to repression when its prominence started to slip in Latin America through establishing military dictatorships.

~Alejandro Castro Espin

Cubans are a people who suffered from capitalism in the cruelest way, in the social order, the economic order and the political order.

~Alejandro Castro Espin

To apply communism is an aspiration, in fact it has never been applied anywhere, it is really still a utopia.

~Alejandro Castro Espin

In Cuba we are building a socialist society and we could say we are on the verge of a communist society which is hard to achieve, very hard to achieve, but is a longing worth fighting for.

~Alejandro Castro Espin

I have a lot of faith and confidence in Cuban democracy.

~Alejandro Castro Espin

In Cuba, despite having lived through the most difficult times, there has never been a neo liberal adjustment.

~Alejandro Castro Espin

True medicine is to defend human life in any circumstances and not for political reasons or for reasons of any other kind, it is really to help, that is true solidarity.
