

Aleksander Kwasniewski

Quotes

*Country, Thinking, Years, Important, United States, Russia, President, Fighting,
Mean, Suffering, Responsibility, Doubt, War, Winning, Play, Economy, Hell,
Today, Mass Destruction, Glad*

Technology should be an important ingredient. It may be and should be a tool for social development.

~Aleksander Kwasniewski

The nation is a community. Community of individuals, community of generations.

~Aleksander Kwasniewski

Righteous is the one who was able to demonstrate compassion in face of human suffering.

~Aleksander Kwasniewski

There is simply no room for anti-Semitism in a democratic and law-abiding state.

~Aleksander Kwasniewski

And still the time, especially in the economy, is very tough, very difficult. It's necessary to be active still, to work, to fight, to make our economy more competitive.

~Aleksander Kwasniewski

We welcome, we welcome this good cooperation between Russia and NATO.

~Aleksander Kwasniewski

We are a strong democratic country.

~Aleksander Kwasniewski

Well, we are very glad that Russia is so close with NATO.

~Aleksander Kwasniewski

To be in the EU, it means to have same rules of... for economy, for social life, to be together in the majority of European countries.

~Aleksander Kwasniewski

So I think that is from the European perspective, for the European future, this engagement can be one of the most important and effective decisions in the last 50 years maybe.

~Aleksander Kwasniewski

In the wake of winning the war, Poland wants to help win peace with Iraq. I believe that the international community cannot leave Iraq without support.

~Aleksander Kwasniewski

And we want to develop our strategy to partnership and friendship with the United States, which is connected with a very rich history but what is very important for our future.

~Aleksander Kwasniewski

We're in a place where no words can tell the truth about what happened... But they have to. This was hell on earth.

~Aleksander Kwasniewski

In my opinion, terrorism is a question which is not a short-term problem for all of us. It is a long-term fight. And NATO can play, and will play, a very crucial role in this struggle.

~Aleksander Kwasniewski

So I think that I can say, as the President of Poland, we're proud that I am coming from Poland, which is different and what's more important, much better than before.

~Aleksander Kwasniewski

Every man is responsible only for his own acts. The sons do not inherit the sins of the fathers. But can we say: that was long ago, they were different?

~Aleksander Kwasniewski

However, I don't doubt that a wave of immigration will come to Poland.

~Aleksander Kwasniewski
