As long as I could hold a pencil, I was drawing and telling stories and making jokes. I've just been lucky that no one ever stopped me, and now I can do that for a living.

~Alex Hirsch

I'm a very relentless individual and have a lot more insanity coming.

~Alex Hirsch

Gravity Falls is a show about mysteries and magic but first and foremost it's a show about characters.

~Alex Hirsch

In terms of creative engagement, I just love being able to produce, produce, produce. You don't always get it perfect, but it has much more of an improvisational element, and you learn.

~Alex Hirsch

I remember as a kid being scared of the things that go bump in the night, but I was way more scared of adults.

~Alex Hirsch

A sibling is a friend for life, but they are a friend for life that you are forced to have. And like anything that you are forced to do, occasionally people will drive you crazy.

~Alex Hirsch

My goal with Gravity Falls is to make people as paranoid and insane as I was as a child, and I'm delighted to see it's working!

~Alex Hirsch

Once you train an audience to look for significance, they start to find it everywhere.

~Alex Hirsch

Gravity Falls has transformed the children of America into an army of Dippers. I couldn't be more proud!

~Alex Hirsch

You can look at a finale as chance to make an impact or a statement, to shock people or shoot a big cannon and make a loud noise.

~Alex Hirsch

When I was a kid, I was obsessed with UFOs in particular, and the paranormal. I grew up in the '90s, which is when The X-Files was at its zenith.

~Alex Hirsch

I try to be a man of mystery. I try to keep the various projects I'm up to as close to the vest as possible until it's time to reveal them.

~Alex Hirsch

If you ask anyone in animation, how long they've been into animation, they'll pretty much always tell you that it's since they can remember, and I'm no exception.

~Alex Hirsch

There is a very specific, unique brand of rivalry that exists between twins. You're always wondering who the Alpha twin is.

~Alex Hirsch

Your family, even though you love them, they can get on your nerves. You spend so much time together.

~Alex Hirsch

Some people could say, "I'd like something that's super dramatic and miserable and made me cry and made me sad forever" but that's not my taste.

~Alex Hirsch

I think twins can sometimes be shoved into the same mold and they can start to feel like they're not being given a chance to develop their own identities.

~Alex Hirsch

The most relevant misadventure that I had, as a kid, is when I remember being pretty convinced that leprechauns were real and that I was going to catch one.
