I mean there are a bunch of people who I've heard worship Adolf Hitler who don't like me because I don't think Jews have 14 inch fangs and drink blood and sneak around in bushes.

~Alex Jones

People say, 'The government couldn't carry out the September 11th attack, it's too big, they'd get caught!' They DID get caught! They're just counting on you to be dumb and to go along with it.

~Alex Jones

The answer to 1984 is 1776.

~Alex Jones

Hollywood is owned by the Arabs.

~Alex Jones

A lot of people are waking up to human history, but so many people have been conditioned by the government controlled media to think that it's cool not to care.

~Alex Jones

The average person is either a weakling, or just a happy person who wants to get along, or thinks being tough is having big muscles and strutting around town and having a good-looking girlfriend.

~Alex Jones

Every time we look, they're killing Jews.

~Alex Jones

There are people who are avaricious parasites. There are psychotic geniuses in control of this planet, and to them human beings are only a commodity to be bought and sold and traded.

~Alex Jones

It's a different kind of economic recovery. The kind where bankers steal trillions and you don't have a job.

~Alex Jones

And the Arabs are the biggest owners now of media in the United States, okay, and over stock exchanges. And in many major U.S. cities they're the majority owners.

~Alex Jones

I spend most of my evenings grinding into the early morning to my favorite music.

~Alex Jones

In a dictatorship there is no choice, the elections are controlled, the police are the military, fear equals control, speech is suppressed, the economy is looted, the people are slaves.

~Alex Jones

I do a real analysis of who actually owns things - it's the Britishâ€the Dutchâ€then it's the Arabsâ€then it's the Frenchâ€then it's the Jewsâ€and then, on down the line.

~Alex Jones

Twitter's designed to reduce the language, directly out of 1984! It's Ingsoc!

~Alex Jones

I'm not really a fan of, like, rock stars, movie stars, people like that. I like politics.

~Alex Jones

I know this, the Federal Reserve is private and the I.R.S. is screwing us.

~Alex Jones

You don't know who's good or bad until you get to that crisis point.

~Alex Jones

Criminality is now legal. I guess criminal racketeering these days would be like burning little children at the stake or something. That's about what it takes to get anyone to care.

~Alex Jones

The majority of world stock markets are now owned by the Arabs.

~Alex Jones

I will sit there on the air and look at every position and play devil's advocate.

~Alex Jones

Some people say they're gathering DNA. Perhaps they're gathering it for the future when the human race is stronger or weaker, who knows. That's science fiction and mere speculation.

~Alex Jones

The Jew haters and white supremacistsâ€"all they do is fight with each other all day too.

~Alex Jones

If we start creating our own maps, our own world, our own vision, then there's no way for the cultural tyrants to program us. And, that's why they're pushing so hard to get more outrageous.

~Alex Jones

I've always been in a mindset where I can lose a K but still smile cuz I know it's coming back another day.

~Alex Jones

Why? Why are they always wanting to kill Jews?

~Alex Jones

I usually go to bed pretty late but sleep a full cycle (8 hours).

~Alex Jones

They're good people. I have a lot of Jewish friends.

~Alex Jones

And I certainly don't like the white supremacists and those whose religion is hating the Jews, period.

~Alex Jones

I don't have any magic way for studying. Mostly just talking hands/strategy with people whose opinion I respect. Nothing out of the ordinary.

~Alex Jones

And everybody's running around talking about "Zionists" all day. Okay, just keep parroting that over and over again.

~Alex Jones

People don't get angry about the half a million dead Iraqis from the sanctions.

~Alex Jones

I think my influence on Donald Trump is way, way lower than what mainstream media has said.

~Alex Jones

And I got a lot of friends in Hollywood.

~Alex Jones

The media never covers all the evil wars that's promoted.

~Alex Jones

Parents should never have to bury their own children.
