You always go by your gut. That's the best you can do. You go by what you feel, and you say yes or no based on what it inspires in you.

~Alex Kurtzman

I do believe that people go to the movies - for one reason or another - they go to the movies to have an experience.

~Alex Kurtzman

When you're a kid and you're a superhero lover, the holy trinity is Batman, Superman and Spider-Man, so to be able to take any of those and play with it is a huge joy.

~Alex Kurtzman

In fact, we actually listen to fans all the time. It's helpful because you want to get a sense of what people are looking for and what they disagree with.

~Alex Kurtzman

When you start a script you aim to hit a note you know you want to end in general.

~Alex Kurtzman

I love the opportunity to tell the story about the characters through the music.

~Alex Kurtzman

An emotional story is an emotional story no matter how big or small it is.
