Certain remakes are great. Carpenter's The Thing is better than the original.

~Alex Winter

I really love sort of classical cinema where people were telling stories with very little dialogue, and people were using the camera in a really interesting way.

~Alex Winter

The thing about movies these days is that the commerce end of it is so inflated and financiers are just expecting this enormous return on their investment.

~Alex Winter

I think filmmakers want their movies to be seen.

~Alex Winter

I just like movies that somehow expose the world in a way that's different than you imagine it.

~Alex Winter

They're innocent movies, and they're fun movies and there were no pretensions about 'em.
