The unprepared mind cannot see the outstretched hand of opportunity.

~Alexander Fleming

Penicillin cures, but wine makes people happy.

~Alexander Fleming

One sometimes finds what one is not looking for.

~Alexander Fleming

Nature makes penicillin; I just found it.

~Alexander Fleming

It is the lone worker who makes the first advance in a subject: the details may be worked out by a team, but the prime idea is due to the enterprise, thought, and perception of an individual.

~Alexander Fleming

(The discovery of penicillin) was a triumph of accident, a fortunate occurrence which happened while I was working on a purely academic bacteriological problem.

~Alexander Fleming

Suggested remedy for the common cold: A good gulp of whiskey at bedtime-it's not very scientific, but it helps.

~Alexander Fleming

Penicillin sat on a shelf for ten years while I was called a quack.

~Alexander Fleming

If penicillin can cure those that are ill, Spanish sherry can bring the dead back to life.

~Alexander Fleming
