When one door closes, another opens; but we often look so long and so regretfully upon the closed door that we do not see the one which has opened for us.

~Alexander Graham Bell

The day will come when the man at the telephone will be able to see the distant person to whom he is speaking.

~Alexander Graham Bell

Before anything else, preparation is the key to success.

~Alexander Graham Bell

The only difference between success and failure is the ability to take action.

~Alexander Graham Bell

The achievement of one goal should be the starting point of another.

~Alexander Graham Bell

Don't keep forever on the public road, going only where others have gone and following one after the other like a flock of sheep. Leave the beaten track occasionally and dive into the woods.

~Alexander Graham Bell

Great discoveries and improvements invariably involve the cooperation of many minds.

~Alexander Graham Bell

Sometimes we stare so long at a door that is closing that we see too late the one that is open.

~Alexander Graham Bell

You cannot force ideas. Successful ideas are the result of slow growth. Ideas do not reach perfection in a day, no matter how much study is put

upon them.

~Alexander Graham Bell

Concentrate all your thoughts upon the work at hand. The sun's rays do not burn until brought to a focus.

~Alexander Graham Bell

First words on the first telephone - "Mr. Watson - come here - I want to see you."

~Alexander Graham Bell

One day every major city in America will have a telephone.

~Alexander Graham Bell

God has strewn our paths with wonders and we certainly should not go through life with our eyes shut

~Alexander Graham Bell

We are all too much inclined, I think, to walk through life with our eyes shut. There are things all round us and right at our very feet that we have never seen, because we have never really looked.

~Alexander Graham Bell

America is a country of inventors, and the greatest of inventors are the newspaper men.

~Alexander Graham Bell

Leave the beaten track behind occasionally and dive into the woods. Every time you do you will be certain to find something you have never seen before.

~Alexander Graham Bell

I have travelled around the globe. I have seen the Canadian and American Rockies, the Andes, the Alps and the Highlands of Scotland,

but for simple beauty, Cape Breton outrivals them all!

~Alexander Graham Bell

A man, as a general rule, owes very little to what he is born with - a man is what he makes of himself.

~Alexander Graham Bell

When one door closes, another one opens.

~Alexander Graham Bell

What this power is, I cannot say... All I know is that it exists.

~Alexander Graham Bell

There cannot be mental atrophy in any person who continues to observe, to remember what he observes, and to seek answers for his unceasing hows and whys about things.

~Alexander Graham Bell

It is the man who carefully advances step by step...who is bound to succeed in the greatest degree.

~Alexander Graham Bell

The telephone will be used to inform people that a telegram has been sent.

~Alexander Graham Bell

Observe, Remember, Compare.

~Alexander Graham Bell

The most successful men in the end are those whose success is the result of steady accretion.

~Alexander Graham Bell

Man is an animal which, alone among the animals, refuses to be

satisfied by the fulfillment of animal desires.

~Alexander Graham Bell

Night is a more quiet time to work. It aids thought.

~Alexander Graham Bell

Wherever you may find the inventor, you may give him wealth or you may take from him all that he has; and he will go on inventing. He can no more help inventing that he can help thinking or breathing.

~Alexander Graham Bell

Leave the beaten track behind occasionally and dive into the woods.

~Alexander Graham Bell

With every door that closes a new one opens.

~Alexander Graham Bell

One day there will be a telephone in every major city in the USA

~Alexander Graham Bell

There are two critical points in every aerial flight-its beginning and its end.

~Alexander Graham Bell

The nation that secures control of the air will ultimately control the world.

~Alexander Graham Bell

The great advantage [the telephone] possesses over every other form of electrical apparatus consists in the fact that it requires no skill to operate the instrument.

~Alexander Graham Bell

I have always considered myself as an Agnostic.

~Alexander Graham Bell

The final result of our researches has widened the class of substances sensitive to light vibrations, until we can propound the fact of such sensitiveness being a general property of all matter.

~Alexander Graham Bell

Neither the Army nor the Navy is of any protection, or very little protection, against aerial raids.

~Alexander Graham Bell

Washington is no place in which to carry out inventions

~Alexander Graham Bell
