A true artist, in my mind, is willing to fail sometimes, because if you're not brave enough to say yes and follow your gut, it's never going to be good.

~Alexander Skarsgard

All the characters I play are all inside of me in a way, and they're all different, the darkness, the lightness, whatever that is.

~Alexander Skarsgard

Why do I love being naked? Because I was born that way?

~Alexander Skarsgard

Life isn't one-dimensional. The world isn't simply divided into good versus evil. I think we're all capable of both.

~Alexander Skarsgard

As an actor, what's interesting is what's hidden away beneath the surface. You want to be like a duck on a pond - very calm on the surface but paddling away like crazy underneath.

~Alexander Skarsgard

I'm an actor and I love to find new collaborations and new characters where I can grow as an actor and human being.

~Alexander Skarsgard

I've been a member of Greenpeace since I was a teenager.

~Alexander Skarsgard

I don't fall often, but I fall hard. And when you fall hard, it takes a while to get up.

~Alexander Skarsgard

I'm pretty intense when it comes to relationships, platonic ones as well. If I feel a connection with someone, I'm willing to go there.

~Alexander Skarsgard

I'm not interested in parts where they are looking for a good-looking guy. I want to be a weird little sidekick in a crazy comedy and then play like a dark drama or a thriller.

~Alexander Skarsgard

We don't have paparazzi following you in Sweden.

~Alexander Skarsgard

I'm from Sweden. We don't wear clothes in Sweden.

~Alexander Skarsgard

I can't express how much admiration I have for women in general, who walk around in high heels, but, drag queens, oh my god.

~Alexander Skarsgard

Whether I'm interested [in something] or not, step one is read the script and figure out if a character is someone I'd want to explore or not.

~Alexander Skarsgard

When I was four or five, I would organise my cars and my action figures. I needed some kind of structure, I think.

~Alexander Skarsgard

When you meet a director who wants to remake a movie, you have to ask, does he or she have an interesting vision and idea, something that intrigues you - is there a reason why we should do this?

~Alexander Skarsgard

You can never connect on a deeper level if you idolise someone - you don't see the real person.

~Alexander Skarsgard

My plan was never to be an actor like my father...

~Alexander Skarsgard

Being followed is weird, that people want to discuss where I ate lunch or what I wear when I go to lunch... the private life is just gone.

~Alexander Skarsgard

I wasn't like a Hollywood child actor - "I'm five! I can sing, I can dance, I can act! I wanna be a star!"

~Alexander Skarsgard

It's difficult to get to know a Swede. But once you do, you're in.

~Alexander Skarsgard

A hipster is someone who's very aware of his style.

~Alexander Skarsgard

I like to dress up and put on a nice suit for a party or a special event; I do enjoy it, but on a daily basis I wear stuff that I feel comfortable in.

~Alexander Skarsgard

If you are with someone who is awesome and having a good time, you can sit at a bus station and still have fun.
