## Quotes

*Car, Children, Country, Animal, Environmental, War, Quality, Couple, Practice, Home, Decision, Big Cars, Trying, Television, Lines, Able, Thinking, Would Be, Atheism, Shoes*

If the whole world went vegan, there would be less war. How you eat determines your mood and your outlook on life.

~Alexandra Paul

I'm very out of style... or I should say I have my own style.

~Alexandra Paul

The cars we drive say a lot about us.

~Alexandra Paul

I really believe in non-violence, but I also believe in a short of resistance that has to be respectful.

~Alexandra Paul

Electric cars aren't pollution-free; they have to get their energy from somewhere.

~Alexandra Paul

I had never been able to get a car that said how much I cared about the environment until I drove electric.

~Alexandra Paul

The human overpopulation issue is the topic I see as the most vital to solve if our children and grandchildren are to have a good quality of life.

~Alexandra Paul

I'm not particularly impressed with going 50 miles per gallon. That doesn't impress me when we can go to the moon.

~Alexandra Paul

Unless everyone grasps the importance of having only two children per couple, wars won't be over just oil anymore, they will be over water and food.

~Alexandra Paul

I'm very much a lead by example person.

~Alexandra Paul

I'm trying to practice owning less stuff.

~Alexandra Paul

When the Exxon Valdez spilled in 1989, I was angry. I even wrote on the back of my car, Boycott Exxon!

~Alexandra Paul

The only way people are going to change their car buying habits, and the only way government will get behind alternatively fueled vehicles, is if gasoline prices continue to go up.

~Alexandra Paul

There is a reason it is called fossil fuel-it is an outdated method of getting power.

~Alexandra Paul

The big companies and their short-term bottom line rule this country.

~Alexandra Paul

I've always preferred food be on the blander side.

~Alexandra Paul

For me, going vegan was an ethical and environmental decision. I'm doing the right thing by the animals.

~Alexandra Paul

I really haven't been cognitive of gas prices. It wasn't until I filled up my husband's Toyota Prius Hybrid that I had a moment of understanding of how people who drive gas cars feel.

~Alexandra Paul

I don't always buy organic food. It is more expensive.

~Alexandra Paul

We say the United States is a rich country, but how can we be rich when millions of poor American children go to bed hungry?

~Alexandra Paul

My respect and empathy towards animals includes sea dwellers too--from dolphins to fish to lobsters. So, of course, I wouldn't dream of eating them.

~Alexandra Paul

Women have this obsession with shoes.

~Alexandra Paul

I don't think I miss anything by not watching television.

~Alexandra Paul

I know I'm an actor, but I'm not at all a believer in people watching a lot of TV. I've never had television in my home.

~Alexandra Paul

I loved doing Baywatch. It was so much fun!

~Alexandra Paul

I don't wear leather, wool, or silk.

~Alexandra Paul

Power, as in the power structure, is why we are still using gas in cars.

~Alexandra Paul
