For some unknown reason, bad-boys draw you in despite the fact that they are jerks.

~Alexis Bleidel

I did one year at NYU, and I'd love to go back there someday

~Alexis Bleidel

I'm still a shy person. I've learned to put that aside on certain occasions. I have to. It's part of my job.

~Alexis Bleidel

A lot of girls ask for advice on how to get into acting, and I'm kind of the worst person to ask, because it just kind of fell in my lap... I was just in the right place at the right time.

~Alexis Bleidel

Sometimes I feel like I am an old person trapped in a young person's body. I'm boring. I go to movies. I read. That's about it.

~Alexis Bleidel

When I was modeling as a teenager, I just ignored it when people said to lose two inches off my hips. I had more jobs than I could take. So why would I even want more?

~Alexis Bleidel

I think that's what makes life interesting - the evolution of getting older, and it's kinda fascinating to me, the whole process.

~Alexis Bleidel

Directors and writers have a lot of stress as well, because they have people they answer to.

~Alexis Bleidel

In my life, I don't need to have my face plastered everywhere. It's not

really something I want.

~Alexis Bleidel

Each character is a completely whole person with their problems and many sides to their personality. It's so rich with details as well, like the set.

~Alexis Bleidel

As actors we try to find different sides of ourselves.

~Alexis Bleidel

Well, I think every film student goes into film school thinking they want to write and direct their own movies, and they don't realize how much goes into it, and what a process it is.

~Alexis Bleidel

The theatre and traveling through my modeling jobs, all of those experiences have helped a lot actually.

~Alexis Bleidel

I write a lot too, so I would like to write or direct in the future if I can.

~Alexis Bleidel

Well, I think that a lot of times when you're working on a film, there aren't really opportunities to get to know all the people you have to work with.

~Alexis Bleidel

I've seen so many period pieces in my life, I really enjoy them so much, a lot of my favorite movies are period pieces.
