## Quotes

*People, Greek, Democracy, Country, Believe, Growth, Austerity, Europe, Greece, Cyprus, Unemployment, Fighting, Order, Economy, Years, Real, Principles, Peace And Security, Euro, Home*

Austerity is not part of the European treaties; democracy and the principle of popular sovereignty are.

~Alexis Tsipras

We will do whatever we could do to keep Greece inside the euro and inside Europe.

~Alexis Tsipras

Greece gave democracy to the rest of the world.

~Alexis Tsipras

The verdict of the Greek people renders the troika a thing of the past for our common European framework.

~Alexis Tsipras

Slowly but surely, we are decreasing unemployment and we are restoring confidence to the future of the Greek economy.

~Alexis Tsipras

Greece is not the country which has occupied and illegally invaded and illegally occupied Cyprus.

~Alexis Tsipras

The Greek people not only relate to the ancient traditions, they have fought, they have shed blood, until recently, to defend the values of democracy and freedom.

~Alexis Tsipras

It is our duty to make a leap into the future, and I believe that we will make it.

~Alexis Tsipras

Public television goes dark only in two circumstances: when a country is occupied by foreign forces or when there is a coup.

~Alexis Tsipras

I have always taken measures to fight corruption, to attract investment, to create a better context for investment in Greece.

~Alexis Tsipras

Barack Obama is a president who, when he had to deal with the 2008 economic crisis, has led the American economy on a completely different path than the one that Europe has chosen eight years later.

~Alexis Tsipras

I will continue to decisively promote reforms that will promote growth, and at the same time, I will continue to negotiate hard in order to avoid any reforms that would undermine growth.

~Alexis Tsipras

I think that the best guarantee for the Cypriot people to feel safe is the potential of a fair and sustainable solution.

~Alexis Tsipras

Real freedom for people can only exist whenever there is security and independence.

~Alexis Tsipras

The insistence of European leaders to austerity policies keeps the European economy strapped in stagnation.

~Alexis Tsipras

Famine and unemployment are the raw material for dictatorships.

~Alexis Tsipras

Cooperation and solidarity are necessary requirements in order to bring about the solutions that will once again bring stability to the European integration and bring it back to the track of growth.

~Alexis Tsipras

Greece is a pillar of peace and security in a region where stabilization is on the growth.

~Alexis Tsipras

The hardship, the fighting against vigilance should stop, and terrorism should be fought decisively.

~Alexis Tsipras

We need to find a fair and viable solution on the basis of U.N. resolutions and the incompatible with the fact that Cyprus is an E.U. member state.

~Alexis Tsipras

I'm of the opinion that Angela Merkel is a responsible politician, a politician who has a sense of responsibility for Europe and not only for Germany or for the - her political party.

~Alexis Tsipras
