The only thing that I am trying to do is to find stories that I like, stories that are meaningful and that can connect and question, since I am not 18 years old anymore.

~Alfonso Herrera

I believe that we have to lift the voice without fear and simply go forward, because in a lot of other occasions, we got tired, we have lowered the arms and simply let everything happen.

~Alfonso Herrera

I think that at this moment, I am trying to live the moments we're passing through. In the future, I will see where the future will take me.

~Alfonso Herrera

The most beautiful part is the traveling, and getting to know different cultures and different types of people and to perform in very, very important venues in each country.

~Alfonso Herrera

The more prepared I am, the better my future.

~Alfonso Herrera

There are many movies that I like, but I'm not sure if they have inspired me.

~Alfonso Herrera

Fortunately, I had the luck to be able to begin to work and realize my potential in something that I like to do, and in something I had wanted to do, which was acting.

~Alfonso Herrera

What I am trying to do right now is simply focus on what is happening right now. Obviously, I would hope there are future opportunities.

~Alfonso Herrera

I feel very lucky to be part of this amazing show [Exorcist] with such an amazing cast of actors, with a really talented writer behind it all.

~Alfonso Herrera

[Exorcist ] is given all of us a great opportunity to show something new on network TV, in terms of the quality of it. It feels much bigger than a network show.

~Alfonso Herrera

I am open to keep on discovering new interesting projects, and little by little I have been coming across very beautiful projects with very affectionate directors.
