I have the feeling that this Moscow Pact will at some time or other exact vengeance upon National Socialism.

~Alfred Rosenberg

Today a new faith is stirring: the myth of blood, the faith that along with blood we are defending the divine nature of man as a whole.

~Alfred Rosenberg

I didn't say that the Jews are inferior. I didn't even maintain they are a race. I merely saw that the mixture of different cultures didn't work.

~Alfred Rosenberg

National Socialism stands or falls by its Weltanschauung.

~Alfred Rosenberg

Anti-Semitism is the unifying element of the reconstruction of Germany.

~Alfred Rosenberg

The greatest and most blessed thing in the Germanic life is the mythical, sensitive, yet strong, awakening. The fact is that we have again begun to dream our own primal dreams.

~Alfred Rosenberg

We let 50,000 Jewish intellectuals get across the border. Just as I wanted Lebensraum for Germany, I thought Jews should have a Lebensraum for themselves--outside of Germany.

~Alfred Rosenberg

From education by the Church to education by Germanic value is a step of several generations.

~Alfred Rosenberg

How can we still speak of the salvation and reformation of Europe,

when we have to ask Europe's destroyer for help?

~Alfred Rosenberg

A determined will, grounded on a clear order of rank of values, coupled with organic strength of outlook, will also one day - despite all hindrances - enforce its realisation in all domains.

~Alfred Rosenberg

Life drew me and I followed it.

~Alfred Rosenberg

The German people is not marked by original sin, but by original nobility.

~Alfred Rosenberg

Alongside the mythos of the eternal free soul stands the Myth, the religion of the blood.

~Alfred Rosenberg

To destroy images is something every revolution has been able to do.

~Alfred Rosenberg

I would adopt a standpoint, irrespective of whether someone was for or against it, if I felt deeply that it was right for the movement.

~Alfred Rosenberg

And even our present acres of death will someday bloom again.

~Alfred Rosenberg

The Amorites founded Jerusalem, they formed the Nordic weft in later Galilee, that is, in the "pagan region" whence some day Jesus was to come.

~Alfred Rosenberg

We bear a heavy and therefore a great destiny.

~Alfred Rosenberg

We are the transition from one education to the other.

~Alfred Rosenberg

The finance enchains with golden bonds states and peoples, the economy becomes nomadic, the life uprooted.
