You know it's right when you feel this undeniable connection and chemistry.

~Ali Larter

I don't care how stylish something is if it doesn't flatter me.

~Ali Larter

It's much easier to cheat than it is to be loyal. Everyone goes through down times. You just don't put yourself in those situations, you know?

~Ali Larter

I was brought up to believe that there is no such thing as failure as long as I'm trying my best. So I've had a 'blood, guts and glory' approach through my whole life.

~Ali Larter

If I have a day off, I want to get on a plane and go to Paris! If I have a couple hours off work, I want to run to the market and make a four-course meal. I like to do things that are unexpected.

~Ali Larter

This is what I signed up for. I'm not here going 'Oh, they're so mean to me, and it's so hard for me.' What I do for a living puts me in the spotlight. They pay me for it.

~Ali Larter

I love to cook. I spend weekends reading cookbooks - it's really my relaxation.

~Ali Larter

I have tons of sunglasses. My husband won't let me buy another pair because I lose them all the time.

~Ali Larter

I hate pretty-looking boys. I'd rather have a guy with a potbelly than one who's in the gym all the time and watches what he eats.

~Ali Larter

If I could have a special power in real life I'd love to fly.

~Ali Larter

I'm a big fan of glamour. It's something I don't think there's enough of in Hollywood anymore. I enjoy putting on a sexy dress and heels. I want to work it.

~Ali Larter

I'm definitely someone who likes to fly by the seat of her pants. My mum always prays for the best.

~Ali Larter

There's a directness and a feistiness to being from Jersey.

~Ali Larter

Since I was 15 years old, all I wanted was to find the guy I was going to marry.

~Ali Larter

I've been in a lot of fiery relationships, and it is so exciting. But there's a more profound feeling when the love is just real and not so painful.

~Ali Larter

I love true love, and I'm a woman who wants to be married for a lifetime. That traditional life is something that I want.

~Ali Larter

I would actually love to fly. I think that that would be probably the most exhilarating feeling, and as close as you can get to true freedom.

~Ali Larter

I told my boyfriend after three weeks that I wanted to marry him and that we could do it tomorrow.

~Ali Larter

I feel really lucky that, in my career, I've gotten a chance to explore a lot of different genres and kinds of films.

~Ali Larter

I never got into using my phone's calendar. It's easier to write in my Tiffany day planner. There's something charming about having a datebook.
