In my fantasy I was always the savior. I would come to 'Peanuts' land and save everybody. Charlie Brown would fall madly in love with me. Peppermint Patty was so jealous.

~Alicia Witt

I wanted to do a movie about being really good at something, yet being socially awkward and not as advanced in your personal life as you are in your creative life.

~Alicia Witt

I compose my own stuff. I've been writing songs with words. I've been playing more on the keyboard because I can transpose it to sheet music on the computer.

~Alicia Witt

Acting is magical. Change your look and your attitude, and you can be anyone.

~Alicia Witt

I'd never been to a prom, I had never had the whole high school experience. I think I was kind of an anomaly. I don't think they knew where to put me.

~Alicia Witt

Everything was okay, as long as I could dream . Its amazing, really, the difference between having a dream and not having any left that can come true. It's the difference between living and dying .

~Alicia Witt

I went to national piano competitions and did that whole circuit. Then I played professionally to support myself when I moved out to LA.

~Alicia Witt

I don't know that I'm actually bipolar, but I definitely have huge mood

swings, and I'm definitely passionate about the way I feel. I'm not really lukewarm one way or the other.

~Alicia Witt

So the moral of this week is: if you do something really, really stupid in front of someone you're just getting to know and they still think you're awesome, then you got yourself a friend.

~Alicia Witt

You'll say I'm self-destructive I constructed all this tragedy. Go tell them all it's all my fault You'll tell them I was crazy . And anyway it's over now Nothing left to say.

~Alicia Witt

It occurred to me the other day that I've made out with more people on camera than I have in real life!

~Alicia Witt

Whatever you've accomplished, there's always more to experience.

~Alicia Witt

John Waters has certainly gotten to a place in his life where he doesn't do anything he doesn't want to do. He's always been that way, but at this point, he's greatly respected for it.

~Alicia Witt

Pianos tend to get better as they age, the more you play them. They grow into their sound.

~Alicia Witt

All of those art-based fields are similar in that they're all hard to make a living in and they all require an intense amount of training and discipline.

~Alicia Witt

You have to really concentrate on piano or acting. You can't do both.

~Alicia Witt

Redheads get so stereotyped. You're either exotic and wild or totally Victorian.

~Alicia Witt

My so-called faith went up in flames Till I believed in all your lies, For the life of me I don't know why. They got you wrong , You're not that strong. I don't belong here!

~Alicia Witt

I don't feel special. I was just full of energy and loved to learn.
