The script is a bible and it's this unchangeable document that somebody spent years and years on.

~Alison Pill

It's not just politicians who underestimate us; we underestimate ourselves.

~Alison Pill

I find it very hard to believe that people would prefer an awkward picture with me than a normal conversation.

~Alison Pill

You only live once. Trying to do the right thing for other people often doesn't work out, and you have to follow your own path in order to make things work out best for everyone.

~Alison Pill

The best thing about serial drama - especially about screwball comedy - is blocked love.

~Alison Pill

Secrets are great for acting. Secrets are the best thing in the world for acting, because they keep you looking like you have something in the back of your mind.

~Alison Pill

To keep an active mind, I find that reading novels is really good.

~Alison Pill

And I loved seeing that because they're great interesting cities in of themselves so I'm looking forward to actually being able to use it as itself instead of being a bad New York.

~Alison Pill

True badassery has no gender.

~Alison Pill

We need to organize and figure out our own voice as a bloc and stop doubting ourselves.

~Alison Pill

Nobody wants anything bad to happen; the other side isn't evil.

~Alison Pill

Some people get fake boobs, but whatever. You can make your own decisions.

~Alison Pill

When women are in positions of power it's a hard place to be, especially when that position involves bossing men around.

~Alison Pill

One of my favorite things in watching an actor is feeling, The story is safe in your hands. I can lean back and trust you with this.

~Alison Pill

I guess the biggest world difference you can make is in people's relations to their own emotions, 'cause emotions rule so much of our daily life, and I think that's where we work.

~Alison Pill

There's a lot more historical baggage to deal with as a wife than as a partner.

~Alison Pill

The biggest thing about growing up in Canada is you know that Los Angeles and New York are not the only places in the world. They're not the only places where brilliant acting happens.

~Alison Pill

The boys have been running Washington for a long-ass time. We're talking 200-some-odd years.

~Alison Pill

I don't have any trouble believing that you would avoid something seemingly perfect because you're in something you really want to prove to yourself you can do right.

~Alison Pill

One thing that has gone away from civil discussion in America is this idea that our neighbors are not out to ruin the world. We need to come at it from a civil place.

~Alison Pill

I can't even vote in America!

~Alison Pill

Sitting out of politics isn't really an option if you don't want things to slide.
