

Aloe Blacc Quotes

*People, Thinking, Song, Needs, Hip Hop, Writing, Helping, Media, Self,
Reflection, Spending Time, Depressing, World, Balance, Tolerance, Hips, Block,
America, Political, Goal*

Hip-hop educated me about other forms of music, because it sampled from all different styles.

~Aloe Blacc

We live in an era of consumerism and it's all about desire-based consumerism and it has nothing to do with things we actually need.

~Aloe Blacc

You can feel a lot of things, and that's okay. Channel that into your passion.

~Aloe Blacc

Industry executives sacrificed art for what sells and mega-stars now saturate the market with the same tired lyrics.

~Aloe Blacc

In school, I studied psychology, linguistics, neuroscience. I understand that there is a real lack of respect for the brain.

~Aloe Blacc

Compassion can change a lot of things, including the world. Young people especially need to know that, because they're the future.

~Aloe Blacc

People need to spread love towards strangers. We all bleed the same blood and we are all part of a global community now.

~Aloe Blacc

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost

~Aloe Blacc

What do you actually need? Food, clothing and shelter. Everything else is entertainment.

~Aloe Blacc

America's biggest export is media and I think that's a positive thing.

~Aloe Blacc

The Internet helps break down so many barriers. People start to see what's happening around the world, they feel more of a oneness and they get information all at the same time, so that helps.

~Aloe Blacc

Salsa, classic rock, soul music, jazz... all of that was a part of my education in making hip-hop music.

~Aloe Blacc

I felt I had an opportunity to follow in the footsteps of great soul musicians of the past, who made a lot of social and political commentary through their music.

~Aloe Blacc

Music critics think of lyrics first and don't consider melody but so many songs are lyrically depressing but musically great, and that's why they become classics.

~Aloe Blacc
