My mom was a photographer and whenever they needed a baby for a modelling job, she'd stick me in front of the camera. That's how it started.

~Alyson Hannigan

I love this profession, but God, it can just destroy people, and I don't want that to happen and become some monster.

~Alyson Hannigan

I want to stay true to who I am by trying to be in the moment.

~Alyson Hannigan

There's a very wild side to me, but it's calming down.

~Alyson Hannigan

Don't ever put a guy in front of your friends. Friends are most important. And don't make a guy more important than yourself.

~Alyson Hannigan

My mom, Emilie, always taught me to think hard about marriage.

~Alyson Hannigan

You need to suffer to be interesting.

~Alyson Hannigan

I can't stand when people use drugs as an escape. It's like, everybody suffers. Deal with your issues, you'll feel so much better.

~Alyson Hannigan

Nerds are far more interesting human in later life.

~Alyson Hannigan

I went to a regular school, not one of those fame academy things.

~Alyson Hannigan

My first TV crush was Elroy Jetson, because he was so cute. And I wanted to play with Astro on his automatic dog-walker thing.

~Alyson Hannigan

Don't ever spend more than three weeks apart. Two and a half weeks, maybe three, was the longest we ever did.

~Alyson Hannigan

I would just as likely be doing soccer practice as filming commercials.

~Alyson Hannigan

I don't like to know too much because I'm a terrible liar.

~Alyson Hannigan

There should be a law that there's a pajama day every few weeks.
