Military, Party, Recovery, Emergencies, Book, Important, Stress, Events, Media,
Strong*

Most Korean parents saw themselves as coaches, while American parents tended to act more like cheerleaders.

~Amanda Ripley

Narrative is the beginning of recovery.

~Amanda Ripley

Boredom is the specter that haunts children from kindergarten to graduation on every continent.

~Amanda Ripley

The public totally discounts low-probability high-consequence events. The individual says, it's not going to be this plane, this bus, this time.

~Amanda Ripley

Paralysis seems to happen on the steepest slope of the survival arc—where almost all hope is lost, when escape seems impossible, and when the situation is unfamiliar to the extreme.

~Amanda Ripley
