

Amar Bose

Quotes

Research, Years, Boston, Mother, Programming, Different, Father, Changed, Intelligent, Charitable, Expectations, Impossible, Maximizing, Lines, Mit, Scare, Giving, Sea, People, Age

If you think something is impossible, don't disturb the person who is doing it!

~Amar Bose

Invention is arrived at by intelligent stumbling.

~Amar Bose

No one ever won a chess game by betting on each move. Sometimes you have to move backward to get a step forward.

~Amar Bose

One hundred percent of our earnings are reinvested in the company, and a great deal of that goes to research.

~Amar Bose

The food we ate was Indian, and both my mother and father were very deep into the ancient philosophy of India, so it could well have been an Indian household.

~Amar Bose

We learned the value of research in World War II.

~Amar Bose

I'm forming a charitable institution for education.

~Amar Bose

All military and most commercial aircraft use our designs that process power from jet engines.

~Amar Bose

The excitement level for me working on projects is really not a bit different from when I was 26.

~Amar Bose

There was a time when I was wondering about this business of going public, so I visited about a half-dozen companies in the Boston area, all of them formed by MIT faculty and all had gone public.

~Amar Bose

I really wanted to do research. That has never changed.

~Amar Bose

Research in this country is going down.

~Amar Bose

I had studied violin from age 7 to 14.

~Amar Bose

But today the quickest way to save your bottom line is to cut off research.

~Amar Bose

I never went into business to make money.

~Amar Bose

At 13, I realized that I could fix anything electronic. It was amazing, I could just do it. I started a business repairing radios. It grew to be one of the largest in Philadelphia.

~Amar Bose
