

# Amber Heard Quotes

*Amber, Thinking, Character, Girl, Real, Sexy, People, Years, Hollywood,  
Beautiful, School, Jobs, Dad, Different, Strong, Gun, Artist, Want, Running, Film*

Models are just mannequins seeking validation at the hands of sleazy fashion people.

~Amber Heard

You can't respect yourself if you're afraid to be who you are.

~Amber Heard

I have always been very rebellious and gone against the grain. I've always challenged the standards set before me.

~Amber Heard

It requires bravery to do something no one else around you is doing.

~Amber Heard

What I really love about the Playboy bunny outfit, is it's all about a woman's silhouette.

~Amber Heard

You feel better when you're eating food that retains nutritional value.

~Amber Heard

It's my job in Hollywood to find roles where I get to be a character not a bathing suit.

~Amber Heard

If you want to do something, you find a way.

~Amber Heard

All I've ever needed is myself.

~Amber Heard

I personally think that if you deny something or if you hide something you're inadvertently admitting it's wrong.

~Amber Heard

School was a waste of time for me. I was bored and left at 16. I started taking correspondence courses at college instead. I did incredibly well. I won an award for my grades.

~Amber Heard

I was a lifeguard. It was my summer job growing up, and I never saved anyone. I never had to, thank goodness.

~Amber Heard

I don't label myself one way or another. I love who I love; it's the person that matters.

~Amber Heard

I'm strong. I'm smart. I'm not a victim,' to my detriment.

~Amber Heard

I'm keeping an open mind as always, because that's what you have to do.

~Amber Heard

I grew up driving old pickup trucks on the ranch with my dad, and I still always find myself driving like I'm out in an open field, except I'm in LA on La Cienega in the middle of rush-hour traffic.

~Amber Heard

One of the biggest challenges in my job is letting go of the movie once you go home at night, and knowing you can't do anything to your performance once you've laid it on film.

~Amber Heard

For as long as I can remember, I've been the kind of person who goes against the grain and questions authority, and that doesn't make for an ideal religious follower.

~Amber Heard

I didn't drop out of school, I placed out of it. I took correspondence courses and ended up graduating early. I did everything I could to get the hell out of there.

~Amber Heard

I seem to be stuck in the '60s, and my favorite music, cars, and women's fashion come from that era. And the sense of social rebellion. It was a good time for a lot of things.

~Amber Heard

Once you start working out, you feel better and it becomes something you make time to do.

~Amber Heard

When I run on the beach, it's always in slow motion. That's just how I roll.

~Amber Heard

I take the sexy girl parts and try to give them something else and make them a character.

~Amber Heard

I've always been a private person and I've always valued my private life.

~Amber Heard

I'm doing what I love. I'm enjoying the perks of the job-the travel. I am having a great time being a shape shifter and I'm really getting a kick out of it. I love my job.

~Amber Heard

Strength and independence are always something that I'm drawn to in all my characters, no matter how different they are from one another.

~Amber Heard

I am just like any other girl, a sucker for romance.

~Amber Heard

I have a '68 Mustang, which is my baby. I've had her for about six years, which is kind of a miracle, considering how many times she's been stolen.

~Amber Heard

I was raised by my father; I was daddy's girl.

~Amber Heard

Reading keeps me sane. Growing up, it was my scape, my alternative; it provided both rebellion and peace.

~Amber Heard

I've always lived my life the way I wanted and been honest with myself and everyone around me.

~Amber Heard

I'd love to teach a self-defense class for ladies, specifically about running away from psychos in masks chasing them with chainsaws.

~Amber Heard

Injustice can never be stood for.

~Amber Heard

I love things that have a vintage feel to them, just because there's a certain texture to them that we just don't have anymore. In fact I think I've been stuck in the 50s or 60s for a while...

~Amber Heard

I've got a soft spot for true individuals.

~Amber Heard

I'm a good shot and I love guns - I own several.

~Amber Heard

I am my father's daughter. It was not up to me growing up. I was his hunting and fishing buddy, so I've been shooting my whole life.

~Amber Heard

Even though I don't believe in God, I feel strangely compelled to fight the atheist label.

~Amber Heard

For someone like me, who prefers to keep their life as private as possible, it was disconcerting to have to define so much about myself. I don't want to be labeled as one thing or another.

~Amber Heard

It's rare to have even half-meaningful conversations in the film industry.

~Amber Heard

I buy records - vinyl. I have a record player at home.

~Amber Heard

I do not hope somebody breaks in. However, if they did, I pity them. I pity the fool that breaks into my house.

~Amber Heard

If you've been seeing someone for a short while and the "relationship" winds itself down mutually but not explicitly, no postmortem is necessary. But a real relationship should have a real ending.

~Amber Heard

I love my horror films and they will always be very close to me.

~Amber Heard

Hollywood actresses age in dog years. I'm 25 in the rest of the world, but I'm about 48 in actress years. I'm just around the corner from my midlife crisis.

~Amber Heard

I was working with real artists [in the Rum Diary], and that's difficult to do and very rare, in this industry, ironically.

~Amber Heard

I am a firm believer that you can have the body you want, only to the extent that you're willing to work for it.

~Amber Heard

I don't feel like millions of people are wrong because they love who they love or they were born how they were born.

~Amber Heard

You know, I've kind of been lucky enough to always work with established actors or big names or people that are really popular or infamous for doing what they do and doing it well, I guess.

~Amber Heard

I am a proud member of the LGBT community and could never bear the idea that someone could say I was closeted.

~Amber Heard

I can sit in front of the TV and watch an old romantic film and be transfixed.

~Amber Heard

Everybody enjoys when a woman is her own character in a movie or otherwise.

~Amber Heard

I think there's an instinct to make grotesque horror films that are purely carnal, like the 'Saw' movies.

~Amber Heard

Young women from a very young age are taught that life will be easier if you can just turn on the charming smile and say very little and be complacent and docile and sweet.

~Amber Heard

I think I've always had a certain amount of skepticism of this whole 'shut up and smile' theory. I haven't ever swallowed that pill so easily, although I tried.

~Amber Heard

Every article I've read about myself always winds up concluding that I am not, in fact, completely stupid.

~Amber Heard

I think my mother realized she had a somewhat unusual daughter pretty early on.

~Amber Heard

I always felt like an outcast at school. I had good friends, but none that I truly related to.

~Amber Heard

I grew up just outside of Austin, and my upbringing was fairly rural.

~Amber Heard

I'm thankful for the work that feminists like Gloria Steinem have done. I am a feminist, but the geography for women today is vastly different than it was in the '60s.

~Amber Heard

I think there's a part when you sign your soul to the devil and start working in Los Angeles that you also sign away that you could be a human being in anyone's eye. You're like a robot!

~Amber Heard

I had always been a reader and a skeptic, so when I was old enough to break away from organized religion, it just came naturally.

~Amber Heard

[Johnny Depp] a wonderful artist, and such a talented person. I got along with him, splendidly. He's charming and wonderful to work with. He's a dream.

~Amber Heard

We all appreciated a certain aesthetic, and with that appreciation came a certain stylized presence.

~Amber Heard

They are very different. Women who are empowered by it and have choices based off of their sexuality, are very different from the ones that are being taken advantage of.

~Amber Heard

I have successfully avoided being stereotyped into a specific category. I've worked very hard at that, and I'm proud of not being easily lumped into anybody's preconceived notions or expectations.

~Amber Heard

Modern cars I don't like so much.

~Amber Heard

I went to a Catholic school but did not really fit in.

~Amber Heard

I've been around responsible gun ownership my whole life.

~Amber Heard

When you can find a strong character and a director that does want to protect the integrity of all characters, female and male, then you have a good deal.

~Amber Heard

I am a rebel, and I relate to the rebel spirit in Chenault [from the *Rhum Dairy*].

~Amber Heard

I'm a big horror fan. I'm a genre fan. I like to make these movies. They're my favorite kinds of movies to make.

~Amber Heard

[*The Rum Diary*] is a prestigious movie and it's got a great, talented cast, so they wanted to make sure they had the right person for the role, but it was a torturous process. It was painful.

~Amber Heard

I'm no mechanic but I can change my oil and I know what to do when I get a flat tire and I can hot-wire it in an emergency.

~Amber Heard

Im not the kind of person to just sit back and lose something I worked hard on, so, naturally, Ive taken steps to be further involved in a process when most actors arent.

~Amber Heard

Hollywood can be a draining industry. For all the glitz and glory and wonderful parts of our business, it takes it's toll on your inner self.

~Amber Heard

For the most part I pick movies based on the merit of the script, and the merit of the script only.

~Amber Heard

When I go into making a movie, personally, I don't try to bring other pieces of movies with me.

~Amber Heard

There's something nice and valuable and wonderful about the suspense and the classic horror that doesn't just crutch on blood and the almost pornographic view of fear.

~Amber Heard

I come from a place where I find it hard to identify with a label.

~Amber Heard

I don't know if I've owned a piece of technology that I hated - I don't think I would have owned it then.

~Amber Heard

Trying to film a movie on a diet is hard enough, I can't imagine how it would be on drugs.

~Amber Heard

Every pound for a woman in the real world is seven pounds for an actress.

~Amber Heard

I have been in my fair share of both onscreen and off screen fights.

~Amber Heard

I'm fighting for the right to get married. For other people.

~Amber Heard

I wanted to be a disgusting, oozing zombie, not a sexy, cleavage zombie, which is what I was expecting, given my previous film work.

~Amber Heard

My favorite go-to modeling move was called "Be hungry." That was it. You just stand there, and be hungry. And that's all I have to say about the modeling industry.

~Amber Heard

I approach all of my movies with an open mind and a willingness to dive in and do what's asked of me.

~Amber Heard

You have to do something else by 30 years old, if you haven't found another way to explore your own identity and make something of it.

~Amber Heard

I don't shoot anything. I could never kill an animal. My dad does all the hunting, and he eats everything that he kills.

~Amber Heard

I get tickets all the time and can't stay under the speed limit. I'm bad at that.

~Amber Heard

I naturally have some curves, like most women, just unfortunately not like most women in Hollywood. I'm only considered curvy in Hollywood. It's a weird town.

~Amber Heard

Like most girls, I constantly have to watch my weight, because if I didn't my curves would get ahead of me.

~Amber Heard

I would never imagine a mate based on a certain sex or race.

~Amber Heard

Many states have laws against cousin marriage, which I think are ridiculous - people should be allowed to make that choice.

~Amber Heard

I would love nothing more to participate in a real struggle to find a character, and really delve into and develop a character. That's why I'm an actor.

~Amber Heard

I'm not opposed to nude scenes, if they're appropriate. I'm not against them morally. But I personally no longer find movie nudity to be worth my while.

~Amber Heard

I'm pretty confusing. But I do have an oil rig in my back yard.

~Amber Heard

The feminist movement is often clouded with Gloria Steinem's perspective, but I feel like denying women their sexuality is just as chauvinistic.

~Amber Heard
