I kind of do this awkward body language because, growing up, I had a really hard time expressing myself vocally.

~Analeigh Tipton

There's a lot of things I nerd out over. Quantum Mechanics. I also love Dungeons and Dragons. I want to be an astronaut.

~Analeigh Tipton

When you're acting, you're a person. When you're modeling, you're a hanger.

~Analeigh Tipton

I'm not a fighter. If there's something going on that I really feel strongly about, I'll certainly stand up but I pick my battles...

~Analeigh Tipton

My favorite band is probably The Cure. We can throw Talking Heads in there too, I listen to them a lot. But The Cure.

~Analeigh Tipton

I don't really believe in regret or mistakes. I try to take everything as it is, be comfortable with myself.

~Analeigh Tipton

I went to USC for writing. I was judgmental of actors and their Starbucks and fancy cars.

~Analeigh Tipton

I'm a big music person. I compare a lot of my emotions to how something sounds.

~Analeigh Tipton

I dress like a boy most of the time because I like what's comfortable, so sometimes when I have to wear dresses and makeup, it's kind of

comedic.

~Analeigh Tipton

I moved to L.A. to write and direct. I had no intentions of being in front of the camera.

~Analeigh Tipton

The life of a working model in L.A. kind of sucks.
