Cops and robbers resemble each other, so there's not a lot to learn in terms of learning the logistics of committing the crime or investigating the crime.

~Andre Braugher

If the story's interesting and it's a compelling script, I'd be thrilled to be a part of it.

~Andre Braugher

If you go back to the Conan the Barbarian series, I really liked that.

~Andre Braugher

My family life and my ideals, my commitment to the community and to other people - all people - has been improved. I think less about myself and more about my community today.

~Andre Braugher

I'm not a good enough singer to pull off the effect.

~Andre Braugher

I just like the joyous aspect of playing comedy.

~Andre Braugher

I'm always a fan of a good horror film.

~Andre Braugher

They're mutually incompatible I feel; being a wise thief and a wise father.

~Andre Braugher

Drama was always clogging up the phone line. It's like that's what people call me for.

~Andre Braugher

Comedy and I were never strangers, it's just that I was doing a lot of drama.

~Andre Braugher

I think all the roles I've played really center around either the great conflict or how the great conflict affects the people that I love. I've been cast often as a hard-nosed, hyper-confident guy.

~Andre Braugher

It was good to travel to the other side of the world.

~Andre Braugher

So I think what you see in this show is it's really not a just world at all, but you get what you give. So in terms of world view, I would say that's where the differences lie.

~Andre Braugher

But only if I believe that my directing talents will improve the material I'd be working on. I want to make sure I don't sacrifice beautiful material on the altar of my direction.

~Andre Braugher

I'm sitting here watching Hannah Montana, so I'm not going to annihilate 4.3 million Pakistanis without hearing directly from someone whose authority I recognize!

~Andre Braugher

When I go back to any of the mini-series or series that I've done, the heart and soul of the show always centers around how the people that we love are affected by our decisions.
