My whole life is controversy. What can I do? I'm like Britney Spears!

~Andrej Pejic

Love has no boundaries.

~Andrej Pejic

It's important to me that people can associate being different with being beautiful.

~Andrej Pejic

I find myself to be quite sarcastic, and I wouldn't want to be with someone who didn't get that.

~Andrej Pejic

I know people want me to sort of defend myself, to sit here and be like, 'I'm a boy, but I wear make-up sometimes.' But, you know, to me, it doesn't really matter.

~Andrej Pejic

I don't get out of bed for less than \$50 a day. I want to make that clear to America. This is a new age of androgynous supermodels. We don't get out of bed for less than \$50 a day.

~Andrej Pejic

Sometimes I do just have to stop and hit myself in the head with my diamond-encrusted vase.

~Andrej Pejic

Fashion is quite inclusive and good at embracing different things and different forms of beauty. It's a very liberal industry. You can be yourself. Just not overweight.

~Andrej Pejic

I want to be the most eligible bachelor in New York City.

~Andrej Pejic

In this society, if a man is called a woman, that's the biggest insult he could get...Is that because women are considered something less?

~Andrej Pejic

My favourite author is Leon Trotsky - the political philosophy and the way he writes is beautiful, and really relevant, too.

~Andrej Pejic

I'm not a big fan of identity politics and sort of picking one thing and defining yourself with it.

~Andrej Pejic

I guess professionally I've left my gender open to artistic interpretation.

~Andrej Pejic

When I'm sitting in a casting room in Paris, I'm not the thinnest model. Sometimes I'm not the most flat-chested, either.

~Andrej Pejic

Most female models don't have any muscle mass.

~Andrej Pejic

As a kid, you get to the stage where you realise the gender barriers that exist in society and what you're supposed to do and not supposed to do.

~Andrej Pejic

I've been getting chatted up by men ever since I was 14.

~Andrej Pejic

I like to dress up but I'm not so concerned with looking very sexy, it's really more the art of dressing.

~Andrej Pejic

I love to work with people who are great at what they do.
