

Andres Iniesta

Quotes

*Player, People, Winning, Football, Soccer, Thinking, Shining, Footballer,
Different, Needs, Difficult, Moving, Trying, Perfection, Museums, Stars, Body,
Father, Team, Just Being You*

If you win without sacrifice you enjoy it but it's more satisfying when you have struggled.

~Andres Iniesta

Some people like you, some people don't. In the end you just have to be yourself.

~Andres Iniesta

There are moments when the human body can overcome things you would never expect.

~Andres Iniesta

Perfection doesn't exist.

~Andres Iniesta

There is no rule that says a footballer needs to be 'this high' and 'this wide.'

~Andres Iniesta

I'm back? I never went away.

~Andres Iniesta

Every player wants to be as complete as possible and goals for a central midfielder are very important.

~Andres Iniesta

La Masia is a place where lots of people live together but you are on your own.

~Andres Iniesta

What I do when speaking in public is trying to do it as best as possible and trying to make everybody comfortable with my words. Sometimes getting this is very difficult, but I try my best.

~Andres Iniesta

If there is one thing that all players have in common it is that winning, competitive gene; the ability to overcome obstacles and fight for what you want from your career.

~Andres Iniesta

The Celtic fans are very special and the club and players can be very proud of them. They are the best I have ever heard.

~Andres Iniesta

In the past, I had my idols but today I enjoy learning from all the soccer I watch.

~Andres Iniesta

There was no time to think, I just hit it

~Andres Iniesta

I get the feeling people respect me and that there is affection for me. That makes me happy.

~Andres Iniesta

I like to watch soccer, no matter what teams or players are in the field.

~Andres Iniesta

You have different sorts of people in life, so why should it be any different in football?

~Andres Iniesta

I don't consider myself a star.

~Andres Iniesta

My father has made a museum with my cuttings and photographs.

~Andres Iniesta
