

Andrew Card Quotes

*Children, Important, Victory, Government, School, War, Iraq, America,
Newspapers, Appreciate, Accurate, Ifs, Reform, Dream, Teaching, Homeland
Security, August, Motivation, Views, Towers*

Kyoto was a flawed process. There isn't one industrialized country around the world that has ratified that treaty, and so that is a non-starter.

~Andrew Card

Well, paycheck protection is an important ingredient for a successful campaign finance reform measure.

~Andrew Card

There are over 100 entities in the federal government that have something to do with homeland security.

~Andrew Card

Don't believe everything that you read in the newspapers.

~Andrew Card

Victory is the only option. And we will be victorious in Iraq.

~Andrew Card

You shouldn't presume that all quotes that are in a magazine or a newspaper are accurate.

~Andrew Card

From a marketing point of view, you don't introduce new products in August.

~Andrew Card

The top priority is leaving no child behind. We want accountability in the system, and we want schools to recognize they have a responsibility to teach students.

~Andrew Card

If we have to go to war, we will.

~Andrew Card

My children and grandchildren loved the secret servicemen and women that served us. I was honoured that they thought I was important enough to protect.

~Andrew Card

A second plane hit the second tower. America is under attack.

~Andrew Card

The U.N. can meet and discuss, but we don't need their permission.

~Andrew Card

Victory is the most important aspect in Iraq, because victory in Iraq will help us have victory in the War on Terror.

~Andrew Card
