The purpose of relationships is not happiness, but transformation.

~Andrew Schneider

Our weaknesses are divine gifts that when embraced will enable us to make our purposeful contribution to the whole, which is why we incarnated in the first place.

~Andrew Schneider

I always admired atheists. I think it takes a lot of faith.

~Andrew Schneider

There is nothing sadder in this world than the waste of human potential. The purpose of evolution is to raise us out of the mud, not have us grovelling in it.

~Andrew Schneider

Sometimes the mind, for reasons we don't necessarily understand, just decides to go to the store for a quart of milk.

~Andrew Schneider

When we are conscious of our personal uniqueness and our universal nature we express ourselves creatively. In this way we fulfill our dreams and our life purpose.

~Andrew Schneider

One person can have a profound effect on another. And two people... well, two people can work miracles. They can change a whole town. They can change the world.

~Andrew Schneider

There is one thing that all true spirituality has in common, whether that spirituality is derived from faith, from science, from nature or from the arts - a sense of wonder.

~Andrew Schneider

Insight occurs when, and to the degree that, one knows oneself.

~Andrew Schneider

Real meaningful endeavours, the biggies in human existence, often require the sacrifice of others.

~Andrew Schneider

There can be no spirituality, no sanctity, no truth without the female sex.

~Andrew Schneider

There were always people like the pope. They serve a certain function, of course. They subsidize us. But, they don't create anything and they must never be allowed to stop the artist from creating.

~Andrew Schneider

If you're going to be a healer, it's not enough to read books and learn allegorical stories. you need to get your feet wet, get some clinical experience under your belt.

~Andrew Schneider

By mid-November I always like to have an extra 15 pounds on me.

~Andrew Schneider

As a doctor, as a man of science, I can tell you there is no such thing as curses Everything just happens as a question of probability. The statistical likelihood of a specific event.
