I've lived a phenomenal life, and there's more life in me, but I'm here, I'm not yesterday, but all those yesterday's brought me here. So I'm very comfortable with that.

~Andy Kim

I think with all of us, sometimes we're afraid to recognize that we're here.

~Andy Kim

I don't come from a musical family and didn't go to Julliard or anything, but I had this kind of vision of stuff that was so powerful that I just needed to find it. I have no regrets.

~Andy Kim

I have no regrets. I have not one single regret. I was born with a wonderful DNA where I felt that my life was not a race against someone else or another artist. It was probably internal.

~Andy Kim

With Kevin [Drew], as I said, in his own way just told me "You gotta find that person that talks to you in your songs." I think we succeeded. I feel relief, to be quite honest with you.

~Andy Kim

If you look at my history, I'm not gonna let that many people into whatever I'm going through.
