Your face makes my soul want to eat chocolate pudding!

~Andy Milonakis

I had sadness for breakfast.

~Andy Milonakis

I don't want to rap about my car. How generic is that? Be creative.

~Andy Milonakis

I'm a really huge fan of papaya juice.

~Andy Milonakis

I'm a huge fan of Big L. He is my favorite rapper.

~Andy Milonakis

There's a side that I want to do just like really retarded arty films â€¦ like parody, pretentious art films that kind of are supposed to have some deep meaning.

~Andy Milonakis

I'm clean and dope like heroin soap

~Andy Milonakis

I'm on the Internet a lot more than I watch TV and most everybody I know is, and yet if you watch most late-night talk shows, it's as if it doesn't even exist.

~Andy Milonakis

I was a huge Internet junkie.

~Andy Milonakis

I don't know why I do what I do. I tend to go for the really weird, bizarre stuff. I actually have to tone it down for the show.

~Andy Milonakis

I've been a Hip-Hop head forever. So when it turned out that we were gonna start getting celebrity guests for every show, I wanted rap guys from the get-go.

~Andy Milonakis

As young as I look, I think it will still be funny if I played a person who's kind of tortured and hates his life. Kind of like a Larry David-type thing.

~Andy Milonakis

I just want \$1 million next season, that's all I want

~Andy Milonakis

There's not a lot of music videos that are totally, totally disturbing.

~Andy Milonakis

There's little kids on trains coming up to me, singing my theme song, and they can barely walk.

~Andy Milonakis

MF Doom is like so out-of-the-box and just crazy!

~Andy Milonakis

I'm going to write a whole pilot and see if anyone's interested, and if not then I'll just live out the tortured life instead of showing it on TV.

~Andy Milonakis

I'd think of a topic and just rant on it and transfer it to the computer, upload it. It's such a quick thing. You post it on your website and after an hour, 10 people write comments.

~Andy Milonakis

I want to put some effort into a bunch of different types of videos. I don't think I'm gonna do 'Man On The Street' messing with people, I don't think I'm gonna do over-the-top wacky comedy.

~Andy Milonakis

I think the fans of the old-school Internet shorts were a little bit older just because it was racier material.
